KEY TO SPECIALTIES

A SYMBOL DESIGNATING SPECIALTY IS ENTERED ON REQUEST WHENEVER THE PHYSICIAN IS (1) A MEMBER OF A CONSTITUENT STATE ASSOCIATION, (2) A MEMBER OF A SPECIAL SOCIETY OF WHICH THE MEMBERSHIP IS LISTED IN THE DIRECTORY, OR (3) A PROFESSOR IN A MEDICAL SCHOOL CLASSED "A" OR "B" IN THE RATING OF THE COUNCIL ON MEDICAL EDUCATION AND HOSPITALS. SPECIALTIES ARE INDICATED AS FOLLOWS:

S—Surgery.
Ob—Obstetrics.
G—Gynecology.
ObG—Obstetrics and Gynecology.
Or—Orthopedic Surgery.
Pr—Proctology.
Oph—Ophthalmology.
LR—Laryngology, Rhinology.
ALR—Otology, Laryngology, Rhinology.
OALR—Ophthalmology, Otology, Laryngology, Rhinology.
U—Urology.
D—Dermatology.
Pd—Pediatrics.
N—Neurology.
P—Psychiatry.
NP—Neurology and Psychiatry.
I★—Internal Medicine.
T—Tuberculosis.
Anes—Anesthesia.
CP—Clinical Pathology.
R—Roentgenology.
Path—Pathology.
Bact—Bacteriology.
PH★—Public Health.
IndS—Industrial Surgery.

WHEN THE ABBREVIATION DESIGNATING A SPECIALTY IS FOLLOWED BY AN ASTERISK (★) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ONLY ON PERSONAL DATA FURNISHED BY THE PHYSICIAN.

MEDICAL PRACTICE ACT OF OHIO

Ohio General Code, 1921, Chapter 20;
Ohio Code Service, 1925.

Section 1262. APPOINTMENT OF BOARD; TERMS; REPRESENTATION: The governor, with the advice and consent of the senate, shall appoint a State Medical Board, consisting of seven members, who shall be physicians in good standing in their profession. One member shall be appointed each year and shall serve for a term of seven years. Schools of practice shall be given representation on the board as nearly as possible in proportion to their numerical strength in the state, but no school shall have a majority of the board.

Sec. 1263. ORGANIZATION: The State Medical Board shall organize by the election of a president and a treasurer, who shall be members of the board, and a secretary, who shall be a physician in good standing in his profession. Each of the officers so elected shall serve for a term of one year, and the president and the secretary may administer oaths.

Sec. 1264. COMPENSATION AND EXPENSES: Each member of the State Medical Board shall receive ten dollars ($10) for each day employed in the discharge of his official duties and his necessary expenses so incurred.

Sec. 1265. SECRETARY'S SALARY: The secretary of the State Medical Board shall receive an annual salary, to be fixed by the board, and his necessary expenses incurred in the performance of his official duties.

Sec. 1266. TREASURER'S BOND: The treasurer of the State Medical Board shall give a bond to the state in the sum of $10,000, with two or more sureties approved by the board, conditioned for the faithful discharge of the duties of his office. Such bonds with the approval of the board and the oath of office indorsed thereon, shall be deposited with the secretary of state and kept in his office.

Sec. 1267. MEETINGS; QUORUM: The State Medical Board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times and places as the board may direct. Five members of the board shall constitute a quorum. The board shall have a seal and shall prescribe rules for its government.

Sec. 1268. RECORDS: The State Medical Board shall keep a record of its proceedings. It shall also keep a register of applicants for certificates, showing the name of the applicant, the name and location of the institution granting him the degree of doctor of medicine or surgery, and whether he was granted or refused a certificate. The books and records of the board shall be prima facie evidence of matters therein contained.

Sec. 1269. APPLICATION FOR EXAMINATION; REQUIREMENTS: Each person who desires to practice medicine or surgery shall file with the secretary of the State Medical Board a written application, under oath, on a form prescribed by the board, and furnish satisfactory proof that he is more than 21 years of age and of good moral character.

Sec. 1270. ENTRANCE EXAMINER; PRELIMINARY EDUCATIONAL CREDENTIALS: The State Medical Board shall appoint an entrance examiner, who shall not be directly or indirectly connected with a medical college and who shall determine the sufficiency of the preliminary education of applicants for admission to the examination. The following preliminary educational credentials shall be sufficient.

A diploma from a reputable college granting the degree of A.B., B.S., or equivalent degree;

A diploma from a legally constituted normal school, high school or seminary, issued after four years of study;

A teacher's permanent or life certificate; a student's certificate of examination for admission to the freshman class of a reputable literary or scientific college.

In the absence of the foregoing qualifications the entrance examiner may examine the applicant in such branches as are required for graduation from a first-class high school of this state, and to pass such examination shall be sufficient qualification. If the entrance examiner finds that the preliminary education of the applicant is sufficient, he shall, upon payment to the treasurer of the State Medical Board a fee of $3, issue a certificate thereof, which shall be attested by the secretary of the State Medical Board.

Sec. 1270-1. WHEN APPLICANT HOLDING OTHER CERTIFICATES ADMITTED TO EXAMINATION: If an applicant for admission to the examination for certificate to practice medicine and surgery, is the holder of a certificate granted under provisions of section 1288 of the general code, and has by authority of such certificate been in continuous practice in this state for a period of not less than five years, prior to January 1st, 1917, and presents a certificate authorizing him to practice medicine and surgery in any other state or territory of the United States, which certificate was issued prior to January 1st, 1917, and after examination by the proper board of such state or territory, the board shall admit such applicant to the examination for certificate to practice medicine and surgery.

The applicant must also produce a certificate issued by the entrance examiner and a diploma from a legally chartered medical institution in the United States in good standing, as defined by the board, at the time the diploma was issued and which institution, subsequent to May 1, 1913, requires for admission for the degree of M.D. to such institution, a preliminary education equal to that required for graduation from a first grade high school in this state, or a diploma or license approved by the board which conferred the full right to practice all branches of medicine or surgery in a foreign country.

Sec. 1271. DIPLOMA; AFFIDAVITS: At the time of his application the applicant shall present such diploma or license, with his affidavit that he is the person named therein and is the lawful possessor thereof, stating his age, residence, the college or colleges at which he obtained his medical education, the time spent in each, the time spent in the study of medicine, and such other facts as the State Medical Board requires. If engaged in the practice of medicine or surgery the affidavit shall state the period during which and the place where he has been so engaged.

Sec. 1272. ADMITTANCE TO EXAMINATION: If the State Medical Board finds that the applicant has obtained any one of the credentials necessary for admission to the examination, that his diploma is genuine and granted by a legally chartered medical institution in the United States in good standing as determined by the board, or that his license is genuine and confers upon him the full right to practice all branches of medicine or surgery in the foreign country in which he obtained it, and of a standard approved by the board, that the person named in the diploma or license is the person holding and presenting it and is of good moral character, the board shall admit such applicant to examination.

Sec. 1273. EXAMINATIONS; SUBJECTS: The examinations of applicants for certificates to practice medicine or surgery shall be conducted under rules prescribed by the State Medical Board. Each applicant shall be examined in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, diagnosis, surgery, obstetrics and such other subjects as the board requires. The applicant shall be examined in materia medica and therapeutics and principles and practice of medicine of the school of medicine in which he desires to practice by the member or members of the board representing such school.

Sec. 1274. CERTIFICATE; AFFIRMATIVE VOTE OF MAJORITY OF EXAMINERS: If the applicant pass such examination, and has paid the fee required by law, the State Medical Board shall issue its certificate to that effect, signed by its president and secretary, and attested by its seal. Such certificate when deposited with the probate judge as required by law, shall be conclusive evidence that the person to whom it is issued is entitled to practice medicine or surgery in this state. An affirmative vote of not less than five members of the board is required for the issuance of a certificate.

Sec. 1274-1. DRUGLESS HEALERS LICENSE: The State Medical Board shall also examine and register persons desiring to practice any limited branch or branches of medicine or surgery, and shall establish rules and regulations governing such limited practice. Such limited branches of medicine or surgery, shall include chiropractic, napropathy, spondylotherapy, mechanotherapy, neuropathy, electro-therapy, hydrotherapy, suggestive-therapy, psycho-therapy, magnetic healing, chiropody, Swedish movements, massage, and such other branches of medicine or surgery as the same are defined in Section 1286 of the general code that may now or hereafter exist, except midwifery and osteopathy.

Sec. 1274-2. EXAMINATIONS: For the purpose of establishing the practice of such limited branches the State Medical Board shall call to its aid the designated persons as provided in Section 1274-3 of the general code, and such designated persons shall examine any person who has practiced any such branches in Ohio for a period of at least one year prior to June 1, 1915, and who makes application prior to Oct. 1, 1915, on a form prescribed by the board, in those subjects only which are appropriate to the limited branch of medicine or surgery for a certificate to practice which his application is made. No such applicant shall be required to comply with the preliminary education qualifications provided for in Section 1274-5 of the general code. The examination of all applicants shall be conducted under rules prescribed by the board and at such times and places as the board may determine. Such examination shall be given in anatomy, physiology, chemistry, bacteriology, pathology, hygiene, diagnosis, and in such other subjects appropriate to the limited branches of medicine or surgery, certificate to practice which is applied for, as the board may require; provided, however, that applicants for certificates to practice massage or Swedish movements shall not be examined in pathology and diagnosis.

Sec. 1274-3. EXAMINATIONS AND QUALIFICATIONS: For the purpose of conducting such examinations the State Medical Board shall call to its aid any person or persons of established reputation and known ability in the particular limited branch in which the examination is being held; and in the event that there is in existence a state association or society of practitioners of any such limited branch of medicine or surgery, such association or society, except a state association or society of chiropodists, shall recommend the person or persons to be designated for this service by the board. Any person called by the State Medical Board to its aid, as provided in this section, shall receive for his services not more than ten dollars ($10) per day and his actual and necessary expenses to be fixed and allowed by the State Medical Board.

If the applicant passes such examination and has paid the fee of twenty-five dollars ($25) as required by law, the State Medical Board shall issue its certificate to that effect. Such certificate shall authorize the holder thereof to practice such limited branch or branches of medicine or surgery as may be specified therein, but shall not permit him to practice any other branch or branches of medicine or surgery, nor shall it permit him to treat infectious, contagious or venereal diseases, nor to prescribe or administer drugs, or to perform major surgery.

Sec. 1274-4. RECIPROCITY FOR DRUGLESS HEALERS: The State Medical Board may dispense with the examination of applicants for such limited certificates upon the same reciprocal terms and conditions with respect to such limited branches as are provided in Section 1282 of the general code with respect to physicians and surgeons generally.

Sec. 1274-5. DRUGLESS HEALERS' SCHOOLS: The State Medical Board shall determine the standing of the schools, colleges, institutions or individuals giving instruction in such limited branches. If there shall at any time be such schools, colleges, institutions, or individuals giving instruction in such limited branches, the applicant for such certificate shall, as a condition of admission to the examination, produce a diploma or certificate from such school, college, institution or individual in good standing as determined by the board, showing the completion of the required courses of instruction.

The entrance examiner of the State Medical Board shall determine the sufficiency of the preliminary education of applicants for such limited certificates as is provided in Section 1270 of the general code; provided, however, that the State Medical Board may adopt rules defining and establishing for any limited branch of medicine or surgery, such preliminary educational requirements less exacting than those prescribed by said section, as the nature of the case may require.

Sec. 1274-6. REVOCATION: The provisions of Sections 1268, 1269, and 1274 to 1281, both inclusive, of the general code, shall in all respects in so far as the same may be applicable, govern the State Medical Board, all of the officers mentioned therein, and the applicants for and recipients of such limited certificates; provided, however, that in addition to the power of the board to revoke and suspend certificates provided for in Section 1275 of the general code it may also revoke or suspend the certificate of any one to whom a limited certificate has been issued upon proof of violation of the rules or regulations established by the board governing such limited practice.

Sec. 1274-7. LIMITATIONS PRESCRIBED: Nothing in Section 1274-1 to 1274-6, both inclusive, of the general code shall be so construed as in any way amending Sections 1286, 1287 and 1294 of the general code or as in any way limiting the application of said sections or any other provisions of the laws of the state to practitioners of such limited branches of medicine or surgery save as hereinbefore specifically provided.

Sec. 1275. REFUSAL; REVOCATION: The State Medical Board may refuse to grant a certificate to a person guilty of fraud in passing the examination, or at any time guilty of felony or gross immorality, grossly unprofessional or dishonest conduct, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery. The words "grossly unprofessional or dishonest conduct" as used in this section are hereby declared to mean:

First: The employing of any capper, solicitor or drummer for the purpose of securing patients or subsidizing any hotel or boarding house with like purpose, or the obtaining of any fee on the assurance than an incurable disease can be cured.

Second: The wilful betrayal of a professional secret. But a physician, knowing that one of the parties to a contemplated marriage has a venereal disease, and so informing the other party to such contemplated marriage, or the parent, brother or guardian of such other party, shall not be held to answer for betrayal of a professional secret nor shall such physician be liable in damages for truthfully giving such information to such other party, or the parent, brother or guardian of such other party.

Third: All advertising of medical practice in which extravagantly worded statements intended, or having a tendency to deceive and defraud the public are made, or where specific mention is made in such advertisements of tuberculosis, consumption, cancer, Bright's disease, kidney disease, diabetes, or of venereal diseases or diseases of the genito-urinary organs.

Fourth: Having professional connection with, or lending one's name to an illegal practitioner of medicine.

Fifth: Any division of fees or charges, or any agreement or arrangement to share fees or charges made by any physician or surgeon with any other physician or surgeon or with any other person.

Upon notice and hearing, the board, by a vote of not less than five members, may revoke or suspend a certificate for like cause or causes.

Sec. 1275-1. WITNESSES AND TESTIMONY: The State Medical Board or the accused shall have the power to require the attendance of such witnesses and the production of such books, records and papers as either may desire at any hearing of any matter which the board has authority to investigate, and for that purpose either may require the secretary of the board to issue a subpoena for any witness or a subpoena duces tecum to compel the production of any books, records or papers directed to the sheriff of the county where such witness resides or is found, which shall be served and returned in the same manner as a subpoena in a criminal case is served and returned. The fees and mileage of the sheriff and witnesses shall be the same as that allowed in the common pleas court in criminal cases. Fees and mileage shall be paid from the fund in the state treasury for the use of the board in the same manner as other expenses of the said board are paid.

Depositions of witnesses residing within or without the state may be taken by the board or the accused in the manner prescribed by law for like depositions in civil action in the common pleas court. In any case of disobedience thereto or neglect of any subpoena served on any person or the refusal of any witness to testify to any matter regarding which he may lawfully be interrogated, it shall be the duty of the common pleas court of any county where such disobedience, neglect or refusal occurs, or any judge thereof on application by the secretary of the State Medical Board, to compel obedience by attachment proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

Sec. 1275-2. HEARING MAY BE HELD BY ANY MEMBER: An investigation, inquiry or hearing, which the State Medical Board is empowered by law to hold or undertake may be held or undertaken by or before any member or members of the State Medical Board, and the finding or order of such member or members of said board shall de deemed to be the order of said board when approved and confirmed by it.

Sec. 1276. APPEAL: An appeal may be taken from the action of the State Medical Board refusing to grant or suspending or revoking a certificate or license for the causes named in the preceding section to the common pleas court of Franklin county or to the common pleas court of the county in which the person who has been refused a license or whose license has been suspended or revoked resides. The judgment of the common pleas court may be reviewed upon proceedings in error in the court of appeals.

Sec. 1277. FEES; REEXAMINATION: Each applicant for a certificate to practice medicine or surgery in this state shall pay a fee of twenty-five dollars ($25) for an examination. On failure to pass such examination the fee shall not be returned to the applicant, but within a year after such failure he may present himself and be again examined without the payment of an additional fee. All fees for examinations shall be paid in advance to the treasurer of the board and by him paid into the state treasury to the credit of a fund for the use of the State Medical Board.

Sec. 1278. CERTIFICATE TO BE DEPOSITED WITH PROBATE JUDGE OF COUNTY: CHANGE OF RESIDENCE: Each person who receives a certificate to practice medicine or surgery, before beginning practice, must deposit his certificate with the probate judge of the county in which he resides. The probate judge shall record it in a book kept for that purpose and indorse on the margin of the record and on the certificate the time when he received it for record, and make an index to all certificates by him recorded. The probate judge shall also note the revocation of a certificate, or the death or change of location of the owner of a certificate in the margin of the record. If the owner of a certificate changes his place of residence, he must have such certificate recorded by the probate judge of the county into which he removes.

Sec. 1279. CERTIFIED COPY OF CERTIFICATE: Upon application the probate judge shall make a certified copy of a certificate and the indorsements thereon, which certified copy shall be prima facie evidence of the matters and facts therein contained.

Sec. 1280. FEES OF PROBATE JUDGE: For services under the provisions of this chapter, the probate judge shall receive from the holder of a certificate the following fees: For recording and indexing each certificate, 50 cents; for certified copies, the same fees as are allowed by law for copies of records kept by him.

Sec. 1281. LIST OF CERTIFICATES: During the month of December in each year the probate judge shall furnish the secretary of the State Medical Board a list of certificates recorded and in force, of certificates revoked, and of certificates whose owners have removed from the county or died during the preceding year.

Sec. 1282. RECIPROCITY; APPLICATION: The State Medical Board may dispense with the examination of a physician or surgeon, duly authorized to practice medicine or surgery in another state, a territory or the District of Columbia, who wishes to remove from such state, territory or district and reside and practice his profession in this state, upon his complying with the following conditions:

Such physician or surgeon shall make an application on a form prescribed by the board, pay a fee of fifty dollars ($50) and present a certificate or license issued by the medical board thereof; provided the laws of such state, territory or district require of physicians and surgeons practicing therein qualifications of a grade equal to those required of physicians and surgeons practicing in Ohio, and equal rights are accorded by such state, territory or district to physicians and surgeons of Ohio holding a certificate from the State Medical Board who desire to remove to, reside and practice their profession in such state, territory or district.

Sec. 1282-1. ADMISSION OF PHYSICIANS AND SURGEONS OF OTHER STATES: Any physician or surgeon of good moral character, holding a certificate authorizing him to practice medicine and surgery in another state, a territory or the District of Columbia, and who is the holder of a diploma from a legally chartered medical institution in the United States, which certificate and diploma were issued to him prior to the passage of this Act, and who is also the holder of a certificate issued to him under the provisions of Section 1288 of the General Code of Ohio, and has, by authority of such certificate issued under the provisions of Section 1288 aforesaid, practiced in this state for a period of not less than five continuous years prior to the passage of this Act, may be admitted by the State Medical Board to practice medicine and surgery in this state without examination, upon making application therefor and paying the fee required in Section 1282 of the general code.

Sec. 1283. EXAMINATION FOR MIDWIFERY: Each person who desires to practice midwifery in this state, and is not authorized by law so to do, shall appear before the State Medical Board and submit to such examination as the board requires.

In order to be admitted to the examination the applicant shall file with the secretary of the State Medical Board a written application, under oath, on a form prescribed by the board, and furnish satisfactory proof that she is more than 21 years of age and of good moral character.

At the time of her application, the applicant shall file with secretary of the State Medical Board such evidence of preliminary education as is required by law of applicants for examination to practice medicine or surgery and present a diploma from a legally chartered school of midwifery, in good standing, as defined by the board, at the time the diploma was issued, or a diploma or license approved by the board which conferred the full right to practice midwifery in a foreign country, with her affidavit that she is the person named therein and is the lawful possessor thereof, stating her age, residence, the school or schools at which she obtained her education in midwifery, the time spent in each, the time spent in the study of midwifery and such other facts as the State Medical Board requires. If engaged in the practice of midwifery, the affidavit shall state the period during which and the place where she has been so engaged.

Sec. 1283-1. WHEN APPLICANT ADMITTED TO EXAMINATION: If the State Medical Board finds that the applicant has obtained the credentials necessary for admission to the examination, that her diploma is genuine, and granted by a legally chartered school of midwifery, in good standing, as determined by the board, or that her license is genuine and confers upon her full right to practice midwifery in the foreign country in which she obtained it, and of a standard approved by the board, that the person named in the diploma or license is the person holding and presenting it and is of good moral character, the board shall admit such applicant to an examination.

Sec. 1284. CERTIFICATE: If the applicant passes a satisfactory examination and has paid a fee of ten dollars ($10), the State Medical Board shall issue its certificate to that effect, which must be deposited with the probate judge of the county in the manner provided for a physician's certificate, and thereupon entitle its holder to practice midwifery in this state. Such certificate may be refused, revoked or suspended as in the case of certificates to physicians and surgeons.

Sec. 1285. LIMITS OF MIDWIFERY: No certificate to practice midwifery shall authorize its holder to perform version, treat breech or face presentation, do any obstetric operation requiring instruments, or treat any other abnormal condition, except in emergencies.

Sec. 1286. PRACTICE OF MEDICINE DEFINED: A person shall be regarded as practicing medicine, surgery or midwifery within the meaning of this chapter, who uses the words or letters, "Dr.," "Doctor," "Professor," "M.D.," "M.B.," or any other title in connection with his name which in any way represents him as engaged in the practice of medicine, surgery or midwifery, in any of its branches, or who examines or diagnoses for a fee or compensation of any kind, or prescribes, advises, recommends, administers or dispenses for a fee or compensation of any kind, direct or indirect, a drug or medicine, appliance, application, operating or treatment of whatever nature for the cure or relief of a wound, fracture or bodily injury, infirmity or disease. The use of any such words, letters or titles in such connection or under such circumstances as to induce the belief that the person who uses them is engaged in the practice of medicine, surgery or midwifery, shall be prima facie evidence of the intent of such person to represent himself as engaged in the practice of medicine, surgery or midwifery.

Sec. 1286-1. REGISTERED NURSE MAY ADMINISTER ANESTHETIC: Nothing in this chapter shall be construed to apply to or prohibit in any way the administration of an anesthetic by a registered nurse under the direction of and in the immediate presence of a licensed physician, provided such nurse has taken a prescribed course in anesthesia, at a hospital in good standing.

Sec. 1287. TO WHOM NOT APPLIED: Nothing in this chapter shall prohibit service in case of emergency, or domestic administration of family remedies. This chapter shall not apply to a commissioned medical officer of the United States Army, Navy or Marine Hospital Service in the discharge of his professional duties, or to a regularly qualified dentist when engaged exclusively in the practice of dentistry, or when administering anesthetics, or to a physician or surgeon residing in another state or territory who is a legal practitioner of medicine or surgery therein, when in consultation with a regular practitioner of this state; nor shall this chapter apply to a physician or surgeon residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine or surgery therein, whose practice extends within the limits of this state; provided equal rights and privileges are accorded by such neighboring state to the physicians and surgeons of Ohio residing on the border of this state contiguous to such neighboring state. Such practitioner shall not open an office or appoint a place to see patients or receive calls within the limits of this state.

Sec. 1288. EXAMINATIONS AND CERTIFICATES OF OSTEOPATHS: The provisions of this chapter shall not apply to an osteopathic physician who passes an examination before the state medical board in the subjects of anatomy, physiology, obstetrics, surgery and diagnosis in the manner required by the board, receives a certificate from such board, and deposits it with the probate judge as required by law in the case of other certificates. Such certificate shall authorize the holder thereof to practice osteopathy and surgery in this state, but shall not permit him to prescribe or administer drugs, except anesthetics and antiseptics. No osteopathic physician holding a license to practice osteopathy at the time of the passage of this act, shall be permitted to practice major surgery, which shall be defined to mean the performance of those surgical operations attended by a mortality from the use of the knife or other surgical instruments, until he shall have passed the examination in surgery given by the State Medical Board, but he may practice minor and orthopedic surgery, not in conflict with the definition of major surgery in this act. The certificate of an osteopathic physician may be refused, revoked or suspended as provided in section 1275 of the General Code of Ohio.

Sec. 1289. FEES; QUALIFICATIONS: Before he shall be admitted to an examination before the State Medical Board a person who desires to practice osteopathy shall pay a fee of twenty-five dollars ($25) to its treasurer and file with its secretary such evidence of preliminary education as is required by law of applicants for examination to practice medicine or surgery, together with a certificate from an osteopathic examining committee as hereafter provided, showing that the applicant holds a diploma or a physician's osteopathic certificate from a reputable college of osteopathy as determined by such committee, and that he has passed an examination in a manner satisfactory to the committee in the subjects of pathology, physiological chemistry, gynecology, minor surgery, osteopathic diagnosis, and the principles and practice of osteopathy.

Sec. 1290. OSTEOPATHIC EXAMINING COMMITTEE: Upon recommendation of the Ohio osteopathic society, the state medical board shall appoint three persons who shall constitute the state osteopathic examining committee. One member of such committee shall be appointed each year who shall serve for a term of three years.

Sec. 1291. CERTIFICATE OF QUALIFICATION: Each person so appointed shall file with the state medical board a certificate of the Ohio osteopathic society that he is a graduate of a reputable college of osteopathy, that he has been engaged in the practice of osteopathy in this state for a least one year, that he is of good moral character, and is in good standing in his profession.

Sec. 1292. EXAMINATION BY BOARD: Upon recommendation of the osteopathic committee, the state medical board may dispense with the examination of an osteopath, duly authorized to practice osteopathy in another state, a territory or the District of Columbia, who wishes to remove from such state, territory or district and reside and practice his profession in this state, upon his complying with the following conditions:

Such osteopath shall make an application on a form prescribed by the board, pay a fee of fifty dollars and present a certificate or license issued by the proper board of such state, territory or district; provided the laws of such state, territory or district require of osteopaths practicing therein qualifications of a grade equal to those required of osteopaths practicing in Ohio, and equal rights are accorded by such state, territory or district to osteopaths of Ohio holding a certificate from the state medical board who desire to remove to, reside and practice their profession in such state, territory or district.

Sec. 1293. COMMITTEE MEETING: The osteopathic examining committee shall meet at the office of the state medical board for action on applications for osteopathic certificates at such time as the board directs; but the committee shall take no part in the deliberations of the board. Each member of the committee shall receive the same compensation as a member of the state board, payable as provided in such case.

Sec. 1294. COMPENSATION OF BOARD: The compensation and expenses of the members and officers of the state medical board and the necessary expenses of the board shall be paid from a fund in the state treasury for the use of the board, upon the warrant of the auditor of state, issued upon vouchers signed by the president and secretary of the board.

Sec. 1295. ENFORCEMENT: The secretary of the State Medical Board shall enforce the provisions of law relating to the practice of medicine, surgery or midwifery in this state. If he has knowledge or notice of a violation of such law he shall investigate the matter and upon probable cause appearing file a complaint and prosecute the offender. When requested by the secretary, the prosecuting attorney of the proper county shall take charge of and conduct such prosecution.

. . . .

Sec. 12694. PENALTY: Whoever practices medicine or surgery, or any of the branches before obtaining a certificate from the state medical board in the manner required by law, or whoever advertises or announces himself as a practitioner of medicine or surgery, or any of its branches, before obtaining a certificate from the state medical board in the manner required by law, or whoever opens or conducts an office or other place for such practice before obtaining a certificate from the state medical board in the manner required by law, or whoever not being a licensee conducts an office in the name of some person who has a certificate to practice medicine or surgery, or any of its branches; or whoever practices medicine or surgery, or any of its branches, after a certificate has been duly revoked, or, if suspended, during the time of such suspension, shall, for the first offense be fined not less than twenty-five dollars nor more than five hundred dollars, and for each subsequent offense be fined not less than fifty dollars nor more than five hundred dollars, or imprisoned in the county jail or workhouse not less than thirty days nor more than one year, or both.

A certificate signed by the secretary of the State Medical Board, to which is affixed the official seal of the said State Medical Board to the effect that it appeared from the records of the State Medical Board that no such certificate to practice medicine or surgery, or any of its branches, in the state of Ohio has been issued to any such person or persons specified therein, or that a certificate, if issued, has been revoked or suspended, shall be received as prima facie evidence of the record of such board in any court or before any officer of this state.

. . . .

Sec. 12695. MIDWIVES MUST HAVE CERTIFICATES: Whoever practices midwifery without first obtaining a certificate from the state Medical Board, or other lawful authority authorizing her so to do, or so practices midwifery after such certificate has been duly revoked, or if suspended, during the time of such suspension, shall be fined not less than twenty-five dollars ($25) nor more than one hundred dollars ($100).

A certificate duly certified by the secretary of the State Medical Board, under the official seal of the said State Medical Board to the effect that it appears from the records of the State Medical Board that no certificate to practice midwifery in the state of Ohio has been issued to any person or persons specified therein, or that a certificate, if issued, has been revoked or suspended, shall be received as prima facie evidence of the record in any court or before any officer of the state.

. . . .

Sec. 12697. FALSE CERTIFICATE; FORGED AFFIDAVIT; PUNISHMENT: Whoever files, or attempts to file, as his own, the medical diploma or certificate to practice of another, or files or attempts to file a false or forged affidavit of his identity with the State Medical Board, shall be imprisoned in the penitentiary not less than one (1) year nor more than five (5) years.

Sec. 12698. FALSE OATH; PENALTY: Whoever wilfully swears falsely in answer to a question asked him on his medical examination by the State Medical Board or in an affidavit required to be made or filed by him with such board, shall be imprisoned in the penitentiary not less than one (1) year nor more than five (5) years.

Sec. 12699. DISPOSITION OF FINES: All fines collected under the next five preceding sections shall be paid to the State Medical Board.

Sec. 12700. ISSUE OF FALSE CERTIFICATES; PUNISHMENT: Whoever makes, issues, publishes or causes to be made, issued or published, for the purpose of sale, barter or gift, a diploma, certificate or writing representing the holder thereof to be a graduate of a medical school, college or educational institution of medicine, unless such holder has attended a complete course of instruction therein equal to the average course of instruction in other such schools, colleges or institutions in good standing in this state, shall be fined not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) or imprisoned in the penitentiary not less than one (1) year nor more than three (3) years, or both.

Sec. 12701. FRAUDULENT DIPLOMAS; PENALTY: Whoever makes, issues, or publishes, for the purpose of sale, barter or gift, a certificate, diploma, or other writing or document falsely representing the holder or receiver thereof to be a graduate of a medical school, college or educational institution of medicine and entitled to the powers, privileges or degrees thereby pretended to be conferred; or sells or otherwise disposes of, or offers to sell or dispose of such diploma, certificate, writing or document containing such false representation; or uses his name, or permits it to be used, as a subscriber to such false and fictitious diploma, certificate, writing or document; or engages in the practice of medicine and surgery under and by virtue of such fraudulent diploma, certificate, writing or document, shall be fined not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) or imprisoned in the penitentiary not less than one (1) year nor more than three (3) years, or both.

Sec. 13423. Justices of the peace, police judges and mayors of cities and villages shall have jurisdiction, within their respective counties, in all cases of violation of any law relating to:

. . . .

16. The violation of any law in relation to the practice of medicine or surgery, or any of its branches.

Issued Monthly, $3.00 a year

IN OHIO, there are 6,826,000 health-loving people whose annual income is estimated at one billion dollars.

The buying power of these Ohioans whose health needs are administered to by over 5,500 members of the Ohio State Medical Association is practically limitless.

In addition to personal purchases, these physicians specify medical supplies upon prescription blanks; goods are bought upon their orders; hospitals and sanitariums are equipped and supplied largely upon their recommendations.

Quite naturally, these physicians look to the Ohio State Medical Journal — their own Journal—for information about and advice upon supplies and equipment. Detailed information concerning advertising rates, etc., will be forwarded upon request to The Cooperative Medical Advertising Bureau, 535 N. Dearborn St., Chicago, Ill., or

MEDICAL PRACTICE ACT OF OKLAHOMA

Compiled Oklahoma Statutes 1926,
Chapter 79.

Section 8797. BOARD OF EXAMINERS; REQUIREMENTS: A State Board of Medical Examiners is hereby established in the State of Oklahoma to consist of seven (7) members, who shall be graduates in medicine from Medical Colleges recognized by Oklahoma at the time of such graduation, and legal and active practitioners of medicine and surgery within the State for more than three (3) years next prior to their appointment as members of said board.

Sec. 8798. APPOINTMENT; TERMS: Within Thirty (30) days after the passage of this Act, the members of the Board of Medical Examiners shall be appointed by the Governor from the schools of practice commonly known as the Regular, the Eclectic, the Homeopathic, and the Physio-Medic schools, who shall serve for a period of four (4) years or until their successors are appointed and qualified; provided, that for schools of practice represented by only one (1) member, there shall be appointed by the Governor one (1) alternate from said schools who shall act at the meetings of the Board in case of the absence of the regular members. Said alternate, during such service, shall have the same power and derive the same remuneration as the regular members would have received for such service. Provided, further, that no member or alternate shall be a stockholder in or member of the faculty or board of trustees of any medical college or school.

Sec. 8799. VACANCIES: Vacancies occurring at any time on said board shall be filled for the unexpired time by the Governor by appointment in the same manner as is provided in Section 1, hereof, from the school from which said vacancy may occur.

Sec. 8800. OATHS OF EXAMINERS: Each member of said board shall, before entering upon the duties of his office, take the constitutional oath of office, and shall, in addition, make oath that he is qualified under the terms of this Act to hold such office.

Sec. 8801. ORGANIZATION: The State Board of Medical Examiners shall, immediately after the members shall have qualified as such, organize by electing a president, a vice-president, and a secretary-treasurer, and thereafter, in the January meeting of the said board, all such offices shall become vacant and be filled by another election, except the secretary-treasurer, who shall serve for the entire four- (4) year term.

Sec. 8802. SECRETARY-TREASURER MUST FURNISH BOND: The secretary-treasurer of the Board shall, in addition to taking the oath of office, before entering upon the duties thereof, enter into a surety bond in the sum of One Thousand ($1,000.00) Dollars, for the use and benefit of the funds of said Board, conditioned that he will faithfully perform the duties of his office and account for all moneys which may come into his hands by virtue thereof. The said bond shall be approved by and deposited with the Secretary of State.

Sec. 8803. RECORDS OF BOARD; ANNUAL OFFICIAL COPY OF REGISTER: The secretary of the board shall preserve a true record of the official proceedings of the meetings of the board. He shall also preserve, in a book kept for that purpose, a record showing age, color, place of practice and residence, the time spent in pre-medical and medical study, together with the names of the schools attended, and the date of graduation therefrom, with the degrees granted, the grades made in examination for license or grades filed in reciprocity application therefor, and a record of the final disposition of the application. The secretary of the board shall, on or before the first day of March in each year, transmit an official copy of said register for the preceding calendar year, to the Secretary of State for permanent record, a certified copy of which shall be admitted as evidence in all courts of the State. The secretary of the said board shall make a biennial report to the Governor.

Sec. 8804. MEETINGS: The board shall hold regular meetings on the second Tuesdays in March and September in each year, at the State Capitol, and it shall have power to adjourn from time to time until its business is completed and its president and secretary may call special meetings at any time by giving written notice to each member ten days before each special meeting. A majority of the members of the board shall constitute a quorum for the transaction of business, but a less number may adjourn from time to time until a quorum is present.

Sec. 8805. ADOPTION OF RULES: The Board of Medical Examiners shall from time to time adopt such rules and regulations as may be necessary to carry into effect the provisions of this Act, and shall have authority to establish fees not otherwise provided for in this Act; and from time to time, as the courses of instruction in medical colleges, under the contemplation of this Act, are increased, the board is hereby directed in like manner to increase its educational requirements for license to practice medicine within the State.

Sec. 8806. AUTHORITY OF INDIVIDUAL MEMBERS: Any member of the Board of Medical Examiners shall have the authority to administer oaths, in all matters pertaining to the affairs of the board and to take evidence and compel the attendance of witnesses on questions pertaining to the enforcement of the terms of this Act.

Sec. 8807. LICENSE REQUIRED: Every person before practicing medicine and surgery or any of the branches or departments of such, within the meaning of this Act, within the State of Oklahoma, must be in legal possession of the unrevoked license or certificate herein provided for, and any person so practicing in such manner within this State, who is not in such legal possession thereof, shall be guilty of a misdemeanor, and shall, upon conviction thereof, in any court having jurisdiction, be fined for the first offense in any sum not less than One Hundred ($100.00) Dollars, and not more than Five Hundred ($500.00) Dollars, and shall for any succeeding offense, be subject to fine in like amount, and in addition thereto, shall be imprisoned in a county jail for a period of time not less than thirty (30) days, nor more than one hundred and eighty (180) days; and in all instances, each day's practice shall constitute a separate and distinct offense. It is further provided that any person who shall render such professional services without first complying with the provisions of this Act, shall, in addition to the other penalties herein provided, received .no compensation for such services.

Sec. 8808. PRACTICE DEFINED: TO WHOM NOT APPLIED: Every person shall be regarded as practicing medicine within the meaning and provisions of this Act, who shall append to his name the letters "M.D.," "Doctor," "Professor," "Specialist," "Physician," or any other title, letters or designation which represent that such person is a physician, or who shall for a fee or compensation treat disease, injury or deformity of persons by any drugs, surgery, manual or mechanical treatment whatsoever.

But nothing in this article shall be so construed as to prohibit the service in the case of emergency, or the domestic administration of family remedies; nor shall this Act apply to any commissioned medical officer in the .United States Army, Navy, or Marine Hospital service in the discharge of his professional duties, nor to any legally qualified dentist, when engaged exclusively in the practice of dentistry, nor to any legally licensed optometrist when engaged in the practice of optometry as defined by law, or to any physician or surgeon from another state or territory when in actual consultation with a legal practitioner of this State, if such physician or surgeon is at the time of said consultation a legal practitioner of medicine or surgery in the State or territory in which he resides, nor to any physician or surgeon residing on the border of the neighboring State, and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this State; providing that such physician or surgeon shall not open an office or place to meet patients or receive calls within the limits of this State; provided, that this Act shall not be construed so as to interfere in any way with the practice of those who endeavor to prevent or cure disease or suffering by spiritual means or prayer.

Sec. 8809. APPLICANTS; CREDENTIALS: The State Board of Medical Examiners shall admit any applicant to the regular examination for license to practice medicine and surgery within the meaning of this Act, who makes application therefor verified by oath upon forms provided by the said board and who shall accompany the application with the fee of Twenty-five ($25.00) Dollars; provided, that an applicant, to be eligible for examination, must present satisfactory evidence of identification; that he is of good moral character, and is not addicted to habitual intemperance or the habitual use of habit-forming drugs; that he has not been convicted of a felony or any crime involving moral turpitude; that he has never been guilty of unprofessional conduct as hereinafter defined; that his medical license has never been revoked within any other state for cause; and that he is not suffering with active tuberculosis or venereal disease.

It is further provided that the applicant must submit satisfactory evidence that he is a graduate of a legally chartered medical college or university, the requirements of which for graduation, shall have been at the time of such graduation, in no particular less than those prescribed by the Association of American Medical Colleges for that particular year.

It is further provided that the Board of Medical Examiners may, at such time as it deems expedient, require of all applicants for the examination of a properly certified certificate that they have served a one-year's internship in a general hospital which is approved and recognized by the said Board.

Sec. 8810. EXAMINATION; FEE: The applicant, having been admitted to the examination as heretofore provided, shall submit himself to an examination in the subjects of anatomy, physiology, hygiene, chemistry, surgery, obstetrics, gynecology, bacteriology, pathology, medical jurisprudence, materia medica and practice and such additional subjects as the board may require from time to time. It is provided that the applicant may be examined in materia medica and practice by the member of the board representing the school of practice to which the applicant belongs. It is further provided that all examinations shall be conducted in writing in the English language in such manner that the applicants shall be known by number, so that no member of the board shall be able to identify the papers of any applicant until they have been graded, and all questions and answers with the grades attached shall be preserved by the secretary for a period of one year.

It is further provided that the applicant shall make an average grade of seventy-five (75%) per cent and that he shall not make less than fifty (50%) per cent in any subject, and should the applicant fall below the minimum of fifty (50%) pert cent in not exceeding two subjects, he may return within one year from date of said examination and again take the examination in those particular subjects without additional fees and no part of the fee of Twenty-five ($25.00) Dollars shall be returnable to the applicant in case of final failure, but if the applicant does not take the second examination, Fifteen ($15.00) Dollars of the fee shall be returned to him.

Sec. 8811. CERTIFICATE: When an applicant shall have shown himself qualified as herein required, a certificate, in form approved by the board and signed by all members of the board, or a quorum thereof, and attested by the seal of the board shall be issued to him by said board, authorizing him to practice medicine and surgery within the meaning of this Act, within the State of Oklahoma.

Sec. 8812. RE-REGISTRATION; FEE: It shall be the duty of every physician and surgeon who was legally licensed in Oklahoma Territory and Indian Territory previous to statehood and who has not since statehood been re-registered under the statutes of the State, to be re-registered with the said Board of Medical Examiners, but he shall be exempt from the examination herein provided for, except as to his credentials; and, providing that such physician and surgeon desiring re-registration within this State, shall make application, under oath, therefor upon blanks furnished for that purpose, and pay a certificate fee of Fifteen ($15.00) Dollars, but the board shall not be required to re-register licentiates of said Territories who secured the said territorial license by fraud or misrepresentation or who, since such time, shall have been guilty of unprofessional conduct as defined by this Act.

Sec. 8813. DUPLICATE CERTIFICATES: The Board of Medical Examiners is hereby authorized to issue duplicate license to any licentiate of this State, who may have lost his license in any manner, provided, that the application, properly verified by oath, be made upon forms provided for that purpose; and provided, further, that a fee of Fifteen ($15.00) Dollars shall be paid to the secretary of said board.

Sec. 8814. RECIPROCITY; FEE: The said State Board of Medical Examiners may in its discretion, accept and register without examination applicants holding medical licenses in other states or from the National Board of Examiners, when such records are properly transmuted to this board; provided, that the legal requirements of such medical board shall have been, at the time of issuing such certificate of no less degree in any particular than the requirements of the Oklahoma Board at the time when the said license was issued. It is further provided that applicants for such reciprocal registration shall make application, under oath, upon forms provided by this board, and shall pay to the secretary of this board a fee of One Hundred ($10.00) Dollars, provided, that, in case of rejection, Eighty-five ($85.00) Dollars of said fee shall be returned to the said applicant.

Sec. 8815. APPEAL BOARD: In case any applicant for license or certificate under any form herein provided for, shall feel aggrieved or dissatisfied with the official action of the board thereon, he shall have the right to have all his records reviewed by an appeal board, consisting of the Superintendent of Public Instruction of the State, the Attorney General and the Dean of the Medical Department of the State University, and their findings shall be final. The said Superintendent of Public Instruction, the Attorney-General and the Dean of the Medical Department of the State University are hereby designated an Appeal Board for the purposes herein provided, and shall, upon written request of the applicant and the secretary of the Board of Medical Examiners, review all the records of the case and shall make their findings in writing to the secretary of this board and a copy thereof to the applicant and the verdict rendered therein shall be a final disposition of the question involved.

Sec. 8816. RECORDING OF LICENSES: It shall be the duty of every person holding license or certificate authorizing him to practice medicine and surgery in this State, to have it recorded in the office of the county clerk of the county wherein his office is to be located. Every such person, on the change of residence to another county, must have his certificate recorded, in like manner, in the county to which he shall move his residence; and said certificate shall be displayed in his office as evidence of his having complied with the law. The absence of such record in the office of the county clerk shall be prima facie evidence of the want or possession of such license or certificate and every such physician and surgeon holding such license or certificate, who shall practice medicine and surgery, or attempt to practice medicine and surgery, in any county in this State, without first having complied with the terms of this section, as herein provided, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be fined in any sum not less than Twenty-five ($25.00) Dollars, and not more than One Hundred ($100.00) Dollars.

Sec. 8817. FALSE CLAIMS: Every person filing for record, or attempting to file for record, the license or certificate issued to another, falsely claiming himself to be the person rightfully entitled to the same, shall be guilty of a felony, and, upon conviction thereof, shall be subject to such penalties as are provided by the laws of the State of Oklahoma for the crime of forgery in the first degree.

Sec. 8818. COUNTY CLERK'S MEDICAL REGISTER: It shall be the duty of the county clerks of the several counties of the State of Oklahoma, immediately upon the taking effect of this Act, if such books of record are not already provided, to purchase, at the expense of the county, a suitable book to be known as the Medical Register for the purpose herein set forth, and said record shall be open to public inspection during office hours. The county clerk shall receive compensation in the manner provided in the Statutes of Oklahoma for recording other similar documents. It is herein provided that the county clerks of the various counties of the State shall, within thirty (30) days after the first meeting of the board herein provided for, file with the secretary of said board a a list of all physicians and surgeons having license or certificate recorded in such office since statehood, which list shall show the date of such filing for record; and thereafter, immediately after any medical license or certificate is filed for record therein, he shall file similar report thereof with said secretary of said Board of Medical Examiners.

Sec. 8818-1. REVOCATION OF CERTIFICATE: The State Board of Medical Examiners may suspend or revoke the license or certificate of any physician or surgeon holding license or certificate to practice in the State of Oklahoma for unprofessional conduct, but no such suspension or revocation shall be made until such licentiate be cited to appear for hearing. No such citation shall be issued except upon sworn complaint filed with the secretary of said board, charging the said licentiate with having been guilty of unprofessional conduct and setting forth the particular act or acts alleged to constitute such unprofessional conduct. Upon the filing of such complaint, such citation must forthwith be issued by the secretary of the board over his signature and seal of the board, setting forth the complaint of said unprofessional conduct, and giving due notice of the time and place of the hearing thereof by the Board of Medical Examiners. The said citation shall be made returnable at the next regular meeting of the board occurring at least thirty (30) days next after the service of said citation. The accused shall file his written answer thereto under oath with the secretary of said board within twenty (20) days after the service upon him of said citation and therewith shall deposit with the secretary his license or certificate authorizing him to practice medicine and surgery within this State and unless such answer with such license or certificate be filed as herein set forth, the accused shall be considered in default and his license or certificate suspended or revoked, if the charges be deemed sufficient by the board; provided, that the secretary of the board may extend the time of answer upon satisfactory showing that the defendant is for reasonable cause, unable to make answer within the said twenty (20) days, but in no case, shall the time be extended beyond the date of the next regular meeting of the board, unless continuance thereof be granted by the board.

Sec. 8818-2. SUBPŒNAS: All citations and subpœnas, under the contemplation of this Act, shall be served in general accordance with the Statutes of the State of Oklahoma then in force applying to the service of such documents, and all provisions of the statutes of the State then in force, relating to citations and subpœnas, are hereby made applicable to the citations and subpœnas herein provided for. All the provisions of the statutes of the State, then in force, governing the taking of testimony by depositions, are made applicable to the taking of depositions under this Act. The attendance of witnesses shall be compelled in such hearings by subpœnas issued by the secretary of the board over the seal thereof, and the secretary shall in no case refuse to issue such subpœnas upon præcipe filed therefore accompanied with the fee of Twenty-five ($0.25) Cents for each subpœna issued. If any person refuse to obey such subpœna served upon him in such manner, the fact of such refusal shall be certified by the secretary of the board, over the seal thereof, to the County Court of the county in which such service was had, and the Court shall proceed to hear said matter in accordance with the statutes of the State then in force governing contempt as for disobedience of its own process.

Sec. 8818-3. HEARINGS: It is hereby provided that the State of Oklahoma is a proper and necessary party in the prosecution of all such actions and hearings before the Board of Medical Examiners in all matters pertaining to unprofessional conduct under the contemplation of this Act, and the Attorney-General of the State, in person, or by deputy, is authorized and directed to appear in behalf thereof, and the defendant in such action shall have the right to be represented by counsel. The board shall sit as a trial body and the rulings of the president thereof in all questions shall be the rulings of the board, unless reversed by a majority vote of the board upon appeal thereto from such rulings of the president. The secretary shall preserve a record of all proceedings in such hearings and shall furnish a transcript thereof to the defedant upon request therefor, provided the said defendant shall pay the actual cost of preparing such transcript.

Sec. 8818-4. DECISION OF BOARD: SUSPENSION: If it be the decision of the board, after considering all the testimony presented, that the defendant is guilty as charged, it shall be the duty of said board, and the board shall have the power to revoke and cancel the license or certificate of such defendant and his rights thereunder to practice medicine and surgery, as defined by this Act, shall forever cease. The board, however, may suspend such license or certificate for a definite period of time not to exceed five (5) years, during which suspension the holder of such suspended license or certificate shall not be entitled to practice medicine and surgery thereunder, but upon expiration of such term of suspension, he shall be reinstated by the board, and shall be then entitled to resume his practice, unless it shall be shown to the satisfaction of the board that such party has, during the term of such suspension, continued to practice medicine and surgery in the State of Oklahoma, or has been guilty of any act of unprofessional conduct, as herein defined, in which event the board shall revoke and cancel the certificate or license of such holder and his rights thereunder shall forever cease. Provided, that the board shall have power to place the holder of such license or certificate upon probation for any period of time not less than one (1) year, nor more than five (5) years, during which time his conduct will be kept under observation; at the expiration of such period of probation the charges of unprofessional conduct shall be dismissed; provided, that the accused shall have been guilty of no additional offense; or the board may take such other action as at its discretion it may deem proper.

Sec. 8818-5. RECORD OF REVOCATION OR SUSPENSION: Whenever any license or certificate to practice medicine and surgery within the State of Oklahoma is suspended for a definite period of time or permanently revoked, it shall be the duty of the secretary of said board to enter upon his record of such license or certificate the fact of such suspension or revocation and shall certify the fact of such suspension or revocation to the county clerk of each county in which the said license or certificate has been recorded, and the said county clerk shall write such data upon the margin or across the face of his register of such license or certificate and when such suspension has been restored or removed by the board, the secretary of the board shall certify due notice thereof to the said county clerk in such counties aforesaid who shall have due record made thereof.

Sec. 8818-6. CERTIFICATES OBTAINED THROUGH FRAUD: Whenever any license or certificate has been procured or obtained by fraud or misrepresentation, or was issued by mistake; or if the diploma of graduation in medicine and surgery or any other credentials required as necessary to the admission to the examination for license or certificate, were obtained by fraud or misrepresentation or were issued by mistake; or if the reciprocity endorsement from another state, upon which a license or certificate has been issued in this State, was procured by fraud or misrepresentation, or was issued by mistake, it shall be the duty of the Board of Medical Examiners of the State of Oklahoma to revoke such license or certificate in the same manner as is provided by this Act for the revocation of license or certificate for unprofessional conduct.

Sec. 8818-7. DEFINITION OF UNPROFESSIONAL CONDUCT: The words "unprofessional conduct" as used in this Act are hereby declared to mean:

First. Procuring, aiding or abetting a criminal operation or abortion.

Second. Advertising in any manner, either in his own name or under the name of another person, firm, association or corporation, in any newspaper, pamphlet, circular, or other written or printed paper or document, the treatment of or the curing of venereal diseases, or the private diseases peculiar to men and women, or the advertising, or holding himself out to the public, in any manner as a specialist in diseases of the sexual organs, or diseases caused by sexual weakness, self-abuse or excessive indulgence, or in any disease of like nature produced by like causes; or the restoration of lost manhood; or the advertising of any medicine or any means whatsoever, whereby the monthly periods of women can be restored or regulated or the menses be reestablished, if suppressed, or being employed by or in the service of any person, firm, association or corporation so advertising.

Third. The obtaining of any fee or offering to accept any fee, present or other form of remuneration whatsoever, on the assurance or promise that a manifestly incurable disease can or will be cured.

Fourth. Wilfully betraying a professional secret to the detriment of the patient.

Fifth. Habitual intemperance or the habitual use of habit-forming drugs.

Sixth. Conviction of a felony or of any offense involving moral turpitude.

Seventh. The employment of what is commonly known as "Cappers" or "Steerers" in procuring practice.

Eighth. All advertising of medical business in which statements are made which are grossly untrue or improbable and calculated to mislead the public.

Ninth. Conviction or confession of a crime involving the violation of the anti-narcotic or prohibition laws and regulations of the Federal Government, or the Board of Health laws and regulations of the State of Oklahoma.

Tenth. Dishonorable or immoral conduct.

Sec. 8818-8. REGISTRATION OF FIRMS PRACTICING MEDICINE; VIOLATION; PUNISHMENT: It shall be the duty of all firms, associations, or corporations engaged in the practice of medicine within the meaning of this Act, within the State of Oklahoma, under whatsoever name or designation, before entering the practice thereof, to report in writing to the county clerk of the county in which such business is to be conducted, the names and addresses of all physicians connected therewith who propose to practice medicine and surgery under such name or designation, or in connection therewith, within said county and State; and from time to time thereafter such additional names and addresses as may be added thereto for the purpose of engaging in such practice under such firm name and designation, shall be so reported; provided, that nothing in this section shall operate or be construed to waive the requirements that each and every member of such firm, association or corporation so practicing medicine and surgery thereunder shall be duly licensed to practice medicine and surgery in the State of Oklahoma. Any firm, association or corporation, or any member or agent thereof, violating any of the provisions of this section, shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined in any sum not to exceed One Hundred ($100.00) Dollars, and each day's practice shall be deemed a separate offense.

Sec. 8818-9. DISPOSITION OF FEES: All moneys accruing to the board from fees herein provided for, and from all other sources whatsoever, shall be received by the secretary-treasurer and he shall make deposit thereof with the state treasurer, who shall place the same in a designated depository fund to the credit of the said Board of Medical Examiners. All salaries and expenses of the board shall be paid from said depository fund upon proper vouchers approved by the secretary of the board in the usual manner as the other similar departments of state. It is further provided that all moneys of the Board of Medical Examiners on hand at the time of the passage of this Act shall be carried forward and placed to the credit of this board and annually thereafter, at the end of each fiscal year, the unexpended balance of such funds shall be carried forward and placed to the credit of the board for the succeeding fiscal year.

Sec. 8818-10. COMPENSATION OF BOARD: The salary of the Secretary of the Board of Medical Examiners shall be Twelve Hundred ($1,200.00) Dollars per anum, and other members of said board shall receive a per diem of Ten ($10.00) Dollars for each and every day of actual service in the discharge of their duties under this Act. It is herein provided that the secretary may, by the direction of the board, employ a stenographer, whose salary shall not exceed One Hundred ($100.00) Dollars per calendar month. It is further provided that the necessary expense of each member, the secretary and the stenographer of the board, including office equipment and supplies incurred in the discharge of the official duties thereto pertaining, shall be paid, by direction of the board, out of the funds of the board, and such traveling expenses incurred in the discharge of duties outside the state shall be included.

Sec. 8818-11. RIGHT TO TRIAL: The Board of Medical Examiners be, and it is hereby given quasi-judicial powers while sitting as a board in hearings for the purpose of revocation or suspension of license and appeals from its decisions shall be taken to the supreme court of the State. That the license of a physician, who is serving a penalty on a felony or of any offense involving moral turpitude, be revoked and cancelled and that the court records had and taken in the trial of such cause be made prima facie evidence in such proceedings, and that the license of a physician who is a fugitive from justice for such crimes shall be revoked and cancelled upon evidence of guilt.

Sec. 8818-12. ENFORCEMENT: In the event any of the provisions of this Act shall be held unconstitutional, the same shall not affect the enforcement of the other provisions hereof.

Sec. 8818-13. REPEAL: Sections 8797, 8798, 8799, 8800, 8801, 8802, 8803, 8804, 8805, 8806, 8807, 8808, 8809, 8810, 8811, 8812, 8813, 8814, 8815, 8816, 8817, 8818, 8821, 8822 and 8823 of the Compiled Oklahoma Statutes, 1921, and all other laws and parts of laws in conflict herewith are hereby repealed, except Sections 8701 to 8729, both inclusive, and Section 8820, and Sections 8898 to 8923-4, and Sections 8824 to 8832, both inclusive, of Compiled Oklahoma Statutes, 1921.

Sec. 8819. PEDDLERS OF MEDICINE TO SECURE LICENSE: It shall be unlawful for any person to sell or offer for sale by peddling, or to offer for sale from house to house, or to offer for sale by public outcry, or to vend in the street any drug or medicine, pharmaceutical preparation, chemical or any composition or combination thereof, or any implement or appliance or other agency for the treatment of disease, injury or deformity, or by writing, or printing, or any other method, to publicly profess to cure or treat any disease, injury or deformity by any drug, nostrum, manipulation or other expedient, without previously obtaining a license therefore as herein provided. An annual county license fee of fifty dollars is hereby levied upon all such itinerant vendors doing business in any county in this State. Said sum shall be paid to the county clerk, who shall pay the same over to the county treasurer for the use of the county road and bridge fund of said county. The county clerk shall thereupon issue a license showing the applicant has paid his license fee and is authorized to do business as above described in this section, in that county for one year: Provided, however, that this shall not prevent incorporated towns or cities from levying an additional license on such vendors of aforesaid articles or goods. Any person who shall violate this section shall, upon conviction, be fined not less than fifty dollars nor more than one hundred dollars, or imprisonment, said fine to be turned over to the county treasurer for the use of the county road and bridge fund.

PHYSICIANS OF OKLAHOMA

EXPLANATORY NOTE: The Medical Practice Act of Oklahoma was enacted in 1908 and provided for a general registration of all physicians of the state, all previous registrations being rendered void. Accordingly, all physicians in practice in Oklahoma at the time the law was enacted and who complied with the registration feature are entered ♁. The names of physicians reported as practicing, but concerning whom information of registration has not been received are entered ‡. Physicians licensed since the enactment of the law are entered with the year of license following their names.

MEDICAL PRACTICE ACT OF OREGON

Oregon Laws, 1921, Chapter 19; as Amended Laws of 1927, Chapter 452

Section 8548. BOARD OF MEDICAL EXAMINERS CREATED: The governor shall appoint five persons from among the most competent physicians of the state, all of whom shall have been residents of the state for seven years and of at least five years' practical experience in their profession, who shall be known as the Board of Medical Examiners for the state of Oregon. Three of the board shall be regulars, one eclectic, and one homeopathist, one of whom shall hold his office for five years, one for four years, and one for three years, and one for two years, and one for one year, and each until his successor shall be appointed and qualified, and each year thereafter another commissioner shall be appointed for five years, and until a successor be appointed and qualified. If a vacancy occur in said board, another shall be appointed as aforesaid to fill the unexpired term thereof.

Sec. 8549. OATH OF MEMBERS, OFFICERS AND MEETINGS OF BOARD, AND RECORD OF PROCEEDINGS: The members of said medical examining board shall, before entering upon their duties as such members, take and subscribe an oath to support the constitution and laws of the state of Oregon and of the United States, and to well and faithfully and without partiality perform the duties of such office according to the best of their knowledge and ability; which oaths shall be filed and preserved of record in the office of the secretary of said board. Said medical examining board shall elect a president, secretary, and treasurer, and shall have a common seal. The president and secretary shall have the power to administer oaths. Said medical examining board shall hold meetings for examination on the first Tuesday of January and July of each year. Said meetings shall be held at Portland, Oregon; and provided, that the board may call special meetings when in the opinion of a majority of said board such special meetings are necessary. Said board shall keep a record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, the time such applicants shall have spent in the study and practice of medicine and surgery, if they shall have so practiced at all, and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine or surgery. Said record or register shall also show whether such applicant was rejected or licensed under this Act. Said books and register shall be prima facie evidence of all matters therein recorded.

Sec. 8550. INSPECTORS, ETC.: Said board shall have power to employ inspectors, special agents and investigators for the purpose of enforcing the laws relating to medicine and surgery and securing evidence of violations thereof, and necessary clinical assistants, and to fix the compensation therefor, and to incur such other expenses as it may deem necessary. The State Board of Medical Examiners shall fix the salary of the secretary and the sum to be paid to other members of the board for each and every day of actual employment in the discharge of such official duties, who shall also receive the necessary traveling and other expenses incurred by them.

Sec. 8551. DISPOSITION OF MONEYS COLLECTED; PAYMENT OF EXPENSES; BOND OF TREASURER: The money received by the board shall be paid to the treasurer of the Board of Medical Examiners who shall transmit the same to the state treasurer, to be deposited by him in the general fund of the state, and 90 per cent shall be credited as and shall constitute an appropriation from said general fund in favor of said Board of Medical Examiners to be used in the payment of the necessary expenses incurred by authority of said board. The treasurer of said board shall give a bond in a sum to be fixed by the said board running to the state of Oregon conditioned upon the faithful discharge of his duties, and the proper accounting for and paying over all moneys coming into his possession as such treasurer, which bond shall be approved by said board. The premium of said bond shall be paid from any moneys available for the expenses of said board.

Sec. 8552. LICENSE TO PRACTICE MEDICINE; APPLICATION AND EXAMINATION FOR; BOARD MAY MAKE RULES GOVERNING ADMISSION FROM OTHER STATES. The State Board of Medical Examiners may, from time to time, adopt such rules and regulations as it may deem wise, just and necessary for the efficient administration of the duties imposed upon it by law. The board shall determine the qualifications of applicants for license to practice with respect to their moral character, general and special education and the class and standing of medical schools and colleges from which such applicants shall have graduated. Each applicant must produce satisfactory evidence that he has graduated from a medical school or college which, at the time of the graduation of such applicant, required at least four full terms of instruction of eight months each, and that he has pursued and graduated from such course of instruction. The board shall have full power and authority to make any rule which it deems necessary to bring the standard of requirements for a license to practice medicine and surgery in this state up to such standards in other states. Every person, except as hereinafter provided, desiring to practice medicine and surgery, or either of them, or any branch of either or both, in this state, shall make a written application to said board for a license so to do, which application shall be supported and accompanied by an affidavit of such applicant, setting forth such facts as the board by its rules shall require; and such application and affidavit shall be filed and preserved of record in the office of the secretary of said board. Such applicant, at the time and place designated by said board, shall submit to an examination in the following branches, to wit: anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women, and such other branches as the board shall deem advisable. The board shall cause such examinations to be both scientific and practical, and of sufficient severity to test the applicant's fitness to practice medicine and surgery. Such examination shall be by written or printed questions and answers and the examination papers shall be filed and preserved of record in the office of the secretary of said board; and upon any appeal, as provided in section 8555, (Oregon Laws,) such papers shall be transmitted to the circuit court as a part of the transcript on such appeal. In all such examinations 75 per cent shall be considered to be a passing grade, and when any applicant has received that grade or better in any subject he shall be passed in that subject. Upon another examination the applicant shall be examined in those subjects only on which he has not theretofore obtained a passing grade. After said applicant shall have passed the examination and obtained a 75 per cent grade in each of the above named branches at one or more examinations, then said board shall grant a license to said applicant to practice medicine and surgery in the state of Oregon. Such license shall be signed by the president and secretary of the board and attested by the seal thereof. The fee for such examination shall be $25 and shall be paid by the applicant to the board toward defraying the expenses thereof. The board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of the person applying for or holding such license to appeal from the decision of said board refusing or revoking such license, as provided in section 8555 (Oregon Laws). All persons who have been regularly licensed under heretofore existing laws of the state, and have complied with the provisions thereof, shall be taken and considered as licensed physicians and surgeons under this act, and the secretary of the board shall enter the names of such persons upon the register kept by him as licensed physicians and surgeons. The board may adopt rules and regulations under which any legally issued license to practice medicine and surgery in any other state may be approved by the board, at its discretion, without examining the licentiate, and such approval may be evidenced either by indorsement thereof on such certificate or by the issuance of a new license, as the board may determine; and such indorsement by the board, or the issuance of such new license by it, and the payment of such fee therefor as such rules and regulations of the board shall prescribe, shall entitle the holder to practice medicine and surgery in this state on the same conditions and subject to the same right of revocation as if such person had been licensed by the board upon examination in this state. The board may, at its discretion, accept in lieu of its own examination a certificate of successful examination issued by the National Board of Medical Examiners of the United States, chartered under the laws of the District of Columbia. Every applicant for a license upon such certificate shall pay the regular fee prescribed for examination; provided, however, that every such applicant who has been previously licensed to practice medicine and surgery in another state shall pay the full fee prescribed in the rules and regulations of the board for the approval of a license issued by another state.

Sec. 8553. "UNPROFESSIONAL" AND "DISHONORABLE CONDUCT," MEANING OF: The words "unprofessional" or "dishonorable conduct," as used in the preceding section, are hereby declared to mean: First, the procuring or aiding or abetting in procuring a criminal abortion; second, the employing of what are popularly known as "cappers" or "steerers"; third, the obtaining of any fee on the assurance that manifestly incurable disease can be permanently cured; fourth, the wilful betraying of a professional secret; fifth, the use of any advertising in which untruthful, improper, misleading or deceptive statements are made; sixth, the advertising of any medicines, or of any means whereby the monthly periods of women can be regulated, or the menses reestablished if suppressed; seventh, conviction of any offense involving moral turpitude; eighth, habitual intemperance in the use of intoxicating liquor, or narcotic drugs; ninth, fraud or deceit in applying for or procuring a license to practice in this state. The words "fraud" and "deceit" as used in this section shall include (a) the intentional misrepresentation of any material fact; (b) the concealment of or failure to make known any material fact; (c) any other means by which misinformation or a false impression is knowingly given.

Sec. 8554. REVOCATION OF LICENSE; PROCEEDING THEREFOR: In any case of the refusal or revocation of a license by said board under the provisions of this act, said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of said board in writing, shall remain of record in said office. Before a license can be revoked by said board for unprofessional or dishonorable conduct under the provisions of this act, a complaint of some person under oath must be filed in the office of the secretary of said board, charging the acts of unprofessional or dishonorable conduct and facts complained of against the licentiate accused, in ordinary and concise language; and thereupon said board shall cause to be served upon such accused licentiate a written notice and a copy of such complaint, which said notice shall contain a statement of the time and place of hearing of the matters and things set forth and charged in such complaint; and said notice shall be served at least ten days prior to the time of such hearing. Such accused licentiate may appear at such hearing and defend against the accusations of such complaint, personally and by counsel, and may have the sworn testimony of witnesses taken and present other evidence in his behalf at such hearing, and said board may receive the arguments of counsel at such hearing. Each member of the board may issue subpenas for the attendance of witnesses for either party and may require the production of papers at any hearing, and may administer oaths for affirmations to witnesses appearing before it and may punish witnesses for contempt for failing to appear or testify as in other cases prescribed by law.

Sec. 8555. APPEAL; NOTICE TO BOARD: In any case of the refusal or revocation of a license by said board under the provisions of this act, the applicant whose application shall be so refused, and the licentiate whose license shall be revoked by said board, shall have the right to appeal from the decision so refusing or revoking such license within thirty days after the filing of such decision in the office of the secretary of said board as hereinbefore in this act provided. Such appeal shall be to the circuit court in and for the county in which was held the last general meeting of said board, prior to the refusal of such license, in case of such refusal; and to the circuit court in and for the county in which the hearing was held upon which such license was revoked, in case of revocation. In any case a person desiring to take such appeal shall serve, or cause to be served, upon the secretary of said board a written notice of such appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond with good and sufficient surety, to be approved by said secretary, to the state of Oregon, conditioned for the speedy prosecution of such appeal and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall, within ten days after the service of said notice of appeal and the filing and approval of said appeal bond, transmit to the clerk of the circuit court to which such appeal is taken a certified copy under the seal of said board, and the grounds thereof in the case of refusal of license; and in addition thereto a certified copy, under such seal, of the complaint in the cause of the revocation of a license, together with the bond and notice of appeal. The clerk of such court shall thereupon docket such appeal cases, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said cause shall be tried de novo. Either party may appeal from the judgment of said circuit court to the supreme court of the state in like manner as in civil actions, within sixty days after the rendition and entry of such judgment in said superior court. If such judgment shall be in favor of the party appealing from the decision of said board, and in case said examining board does not appeal from judgment within sixty days, then and in that case said board shall, at the end of sixty days, and immediately upon the expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this state, and in addition thereto shall reinstate upon the records of said board the name of such successful applicant in case of the revocation of his license by such board. In case of such appeal to the supreme court by said board, no such license shall be issued nor reinstatement be required until the final determination of said cause, as hereinafter provided. In case the final decision of the supreme court be against said medical examining board, then and in that case said court shall make such order in the premises as may be necessary, and said board shall act accordingly; provided, that in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against same.

Sec. 8556. FILING AND RECORD OF LICENSES; REMOVAL OF LICENTIATE: Each person receiving a license to practice medicine and surgery in this state shall file the same or a copy thereof with the county clerk in and for the county where he resides, and said county clerk shall file said license or copy thereof, and enter a memorandum thereof, giving the date of said license and the name of the person to whom the same is issued, and the date of such filing, in a book to be provided and kept for that purpose, and said county clerk shall, on or before the first day of February of each year, furnish to the secretary of said board a list of all licenses filed in his office during the preceding year, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said county clerk shall enter at the appropriate place in the record so kept by him a memorandum of said facts, so that the record kept by said county clerk shall correspond with the records of the board as kept by the secretary thereof. In case a person so licensed shall move into another county of this state, he or she shall procure from the county clerk a certified copy of said license and file the same with the county clerk in the county to which he or she shall remove. Said county clerk shall file and enter the same with like effect as if the same was the original license, and report the same to the secretary of said board in the same manner. The absence of such record of any license claimed to be held by any person shall be prima facie evidence that no such license has been issued. The county clerk of any county shall upon request of the secretary of said board furnish a complete list of all such licenses on file in his office. In case any licentiate is convicted of a crime, the clerk of the court in which such conviction shall be had shall send to the secretary of said board a certified copy of such judgment.

Sec. 8557. PRACTICING WITHOUT LICENSE; PENALTY; PRACTICE OF MEDICINE DEFINED. (Section repealed by Laws of 1927, Chapter 452.)

Laws of 1927, Chapter 452

Section 1. APPLICATION FOR ANNUAL REGISTRATION; FEE: Every practitioner of medicine and surgery now or hereafter legally engaged in practice within this state shall, on or before the first day of December of each year, apply to the secretary of the Board of Medical Examiners for a certificate of annual registration, and shall pay at the time to said secretary an annual registration fee of $5. The application shall be made upon a blank form to be furnished by the secretary of the board, in which the applicant shall state his full name, his business and residence addresses, and the date and number of his license, and such other facts for the identification of the applicant and his license as the Board of Medical Examiners shall deem necessary. The first application for registration, as required by this section, shall be signed and sworn to before an officer empowered to take acknowledgments of deeds, and shall be delivered to the secretary of the board, who shall place it on file. Subsequent applications for annual registration shall be signed by the applicant but need not be sworn to. The secretary of the board shall, on or before the first day of October of each year, mail to every practitioner of medicine and surgery in the state, at his last known post-office address, a blank form of application for annual registration. The form of such application shall be prescribed by the board and shall be such as to elicit from the applicant the information required of him by this act. Applications for annual registration for the year 1927, and the payment of the annual registration fee for that year, shall be made within thirty days after this act takes effect.

Sec. 2. ISSUANCE AND DISPLAY OF REGISTRATION CERTIFICATES; PUBLICATION OF REGISTRY LIST: The secretary of the Board of Medical Examiners shall issue to each duly licensed practitioner of medicine and surgery in this state, upon his application therefor, in accordance with the provisions of this act, a certificate of annual registration, under the seal of the board, for the ensuing year, and ending December 31 of that year, except that certificates of annual registration for the year 1927 shall be issued upon the receipt of applications therefor and shall expire December 31, 1927. Such annual registration certificate shall at all times be displayed conspicuously in the office of the person to whom it is issued. On or before the first of March in each year the secretary of the board shall publish and mail to each practitioner of medicine and surgery registered hereunder in this state a printed list of all persons duly registered under this act, and each published list shall contain at the beginning thereof these words: "Each person receiving this list is requested to report to the secretary of the Board of Medical Examiners the name and address of any person known to be practicing medicine and surgery whose name does not appear in this registry. The names of persons giving such information will not be divulged." The names which shall be added to said registry list after the same shall have been printed and distributed shall be reported quarterly to any person requesting the same.

Sec. 3. PENALTY FOR DELINQUENT REGISTRATION: Any licensed practitioner of medicine and surgery practicing in this state who fails or neglects to register for the year 1927 within thirty days after this act becomes effective, or fails to register for any year thereafter by January 1 of such year, as required by the provisions of this act, shall be required to pay for annual registration, in addition to the regular annual registration fee herein provided for, a further fee of $1 for each thirty days, or part thereof, that he is in default, but the payment of such additional fee shall not relieve him from any other penalty prescribed for a violation of this act.

Sec. 4. CHANGE OF RESIDENCE; ABSENCE OF LICENSED PRACTITIONER FROM STATE: Any registered practitioner of medicine and surgery who may change his location during the period between any two annual registration dates shall, before practicing in his new location, notify the secretary of the board of such change in his location. Any person who desires to begin the practice of medicine and surgery in this state subsequent to January 1 in any year shall, before beginning such practice, register and pay the annual registration fee for that year as provided in this act. If any licensed practitioner of medicine and surgery shall change his residence to some other state or country, and shall later resume his residence in Oregon, his absence from the state shall not affect the validity of his license or registration; but if he returns to this state after the expiration of the period covered by his last certificate of annual registration he shall, before resuming practice in this state, obtain a certificate of annual registration for the year during which he returned.

Sec. 5. PENALTY FOR FAILURE TO REGISTER: Any practicing physician required by this act to procure a certificate of annual registration who fails to procure such certificate, within ninety days after the date he is required by this act to obtain the same, shall be guilty of a misdemeanor.

(Sections 6, 7, 8, 9, 10 amended sections 8551,, 8552, 8553, 8554, and 8556 of the medical practice act, which has been revised accordingly.)

Sec. 11. RESTORATION OF LICENSES. Whenever the license of a practitioner of medicine and surgery shall have been revoked or annulled for any cause, the board of medical examiners may, in their discretion, after the lapse of six months from the date of such revocation or annulment, upon application and after a hearing, restore to such former practitioner the right to practice in this state.

Sec. 12. FRAUD AND MISREPRESENTATION; PENALTY: Any person who shall (1) knowingly make any false statement or representation on a material matter, or wilfully conceal any material fact, for the purpose of obtaining a license to practice medicine and surgery, or of securing a certificate of registration under this act; or (2) sell or fraudulently obtain or furnish any medical and surgical diploma, license, record or registration, or aid or abet in the same; or (3) practice medicine and surgery under cover of any diploma, license, record or registration illegally or fraudulently issued or obtained, or which has been revoked; or (4) practice or advertise to practice medicine and surgery, under a false or assumed name, or under the name of any other person, or under any name other than his own true name, shall be guilty of a misdemeanor.

Sec. 13. PRACTICE WITHOUT LICENSE PROHIBITED; PRACTICE OF MEDICINE AND SURGERY DEFINED; PENALTIES FOR UNLICENSED PRACTICE: Except as provided in section 15 of this act, no person shall practice medicine or surgery in this state without being licensed so to do by the state board of medical examiners. A person shall be regarded as practicing medicine and surgery within the meaning of this act if he shall either (1) advertise, or hold out to the public, or represent in any manner that he is authorized to practice medicine or surgery in this state; or (2) for compensation directly or indirectly received or to be received, offer or undertake to prescribe, give or administer, any drug or medicine for the use of any other person; or (3) offer or undertake to perform any surgical operation upon any person; or (4) offer or undertake to diagnose, cure or treat in any manner any disease, illness, pain, wound, fracture, infirmity, deformity, defect or abnormal physical or mental condition of any person; or (5) who shall append the letters "M.D." or "M.B." to his name, or use the words "Doctor," or "Physician," or "Surgeon," or "Professor," or "Healer," or "Specialist," or any abbreviation or combination thereof, or any letters or words of similar import in connection with his name, or any trade name in which he is interested, in the conduct of any occupation or profession pertaining to the diganosis or treatment of human diseases or conditions herein mentioned; or (6) act as the representative or agent of any person in doing any of the things mentioned in subdivisions (1), (2), (3), (4) or (5) of this section. Any person who violates any of the provisions of this section shall be guilty of a misdemeanor. In any prosecution for the violation of any of the provisions of this section it shall be sufficient to sustain a conviction to show a single act of conduct in violation of any of the provisions of this section and it shall not be necessary to show a general course of such conduct.

Sec. 14. EXEMPTIONS. This act shall not be construed to affect or prevent the following: (1) The practice of medicine and surgery in this state by any commissioned medical officer serving in the United States army, navy or public health service, or any full-time medical officer on duty with the United States veterans' bureau, while such commissioned or full-time medical officer is engaged in the performance of the actual duties prescribed for him by the laws and regulations of the United States; or (2) the practice of medicine and surgery by a duly appointed member of the resident staff, or by an interne while actually serving as such, in any legally incorporated hospital in this state recognized as standard by the order of the state board of medical examiners; or (3) the practice of medicine and surgery by any one duly licensed so to practice in a neighboring state, who resides near the boundary of this state, and whose practice extends into this state, but who does not maintain an office or appoint a place to meet patients or receive calls within this state; or (4) the meeting in this state of any legally licensed practitioner of medicine and surgery of any other state or country with a duly licensed practitioner of medicine and surgery in this state, for consultation; or (5) the furnishing of medical or surgical assistance in cases of emergency requiring immediate attention; or (6) the domestic administration of family remedies; or (7) the practice authorized by section 8598, Oregon

Laws, by osteopathic physicians and surgeons; or (8) the practice of dentistry, pharmacy, optometry, chiropractic, naturopathy, chiropody or cosmetic therapy, by any person legally authorized by this state; and provided, that nothing contained in subdivision 5 of section 14 shall be construed as an inhibition against the use of the words "Doctor" or "Specialist," or any abbreviation or combination thereof, or any letters or words of similar import by any person duly licensed to practice optometry within the state of Oregon; or (9) the practice of the religion of persons who endeavor to prevent or cure disease or suffering by prayer or other spiritual means in accordance with the tenets of any church; nor shall anything in this act be construed so as to interfere in any manner with the individual's right to select or employ the practitioner or mode of treatment of his choice, or to interfere with the right of the person so employed to give the treatment so chosen; provided, however, that sanitary laws, rules and regulations are complied with; or (10) the selling of lenses, artificial eyes, limbs or surgical instruments, or other apparatus or appliances of a similar character; or (11) the selling of drugs, medicines and chemicals by licensed pharmacists in accordance with the laws of this state; or (12) professional or domestic nursing; or (13) the sale by duly licensed vendors or manufacturers of proprietary medicine, ointments, salves or cosmetics in the original packages bearing duly certified and accepted trademarks or the sale of mineral waters or mineral substances in their native state or condition or dissolved in pure water; or (14) the sale or rent or use for hire of any device or appliance, the sale of which is not prohibited by the laws or Oregon, or the laws of the United States; or (15) the practice of physiotherapy, electrotherapy or hydrotherapy carried on, by or under the direction of duly licensed practitioners of medicine and surgery or osteopathy and surgery or chiropractic, or any other method of practice which may hereafter become legalized in this state.

Sec. 15. INVESTIGATIONS; PROCEEDINGS FOR ENFORCEMENT OF ACT: Upon the complaint of any citizen of this state, or upon its own initiative, the board of medical examiners may investigate any alleged violation of this act. If, after such investigation, the board shall have reason to believe that any person is subject to prosecution criminally for the violation of this act, it shall lay the facts before the proper district attorney.

Sec. 16. GENERAL PENALTIES; JURISDICTION OF COURTS: Any person who shall be found guilty of a misdemeanor under this act shall be punished by a fine of not more than $500, or by imprisonment in the county jail for not longer than six months, or by both such fine and imprisonment. Justices' courts, district courts and circuit courts shall have concurrent jurisdiction of prosecutions for the violation of this act. The district attorney of each county shall prosecute any violation of this act occurring in his county, and represent the board upon any appeal to the circuit court of such county from any decision or action of the board. Upon any appeal to the supreme court of this state in any of the proceedings aforesaid, the attorney general of this state shall assist such district attorney in the trial of the cause in the supreme court. The board shall have the authority to employ special counsel to represent it in any court, or to advise it on any matter connected with its duties, or to assist in the prosecution of any criminal case for the violation of this act.

Sec. 17. SECTION REPEALED. That section 8557, Oregon Laws, be and the same hereby is repealed; provided, that said section shall remain in effect for the punishment of any violation of it occurring before this act shall take effect.

Sec. 18. ACT NOT RETROACTIVE; EXISTING LICENSES NOT INVALIDATED: This act is not intended to be retroactive, and nothing herein contained shall affect the validity or authorize the cancellation of the present license of any practitioner of medicine and surgery on account of anything that has occurred before this act takes effect; but this section shall not be construed to prevent the revocation of any such license on any ground which was a cause for such revocation before this act became effective.

Section 19. SAVING CLAUSE. If any clause, sentence, paragraph, section or part of this act shall for any reason be adjudged to be invalid by any court of competent jurisdiction, such judgment shall not impair the remainder hereof, but shall be confined strictly in its operation to the particular clause, sentence, paragraph or part thereof so held to be invalid.

In Pneumonia

Start treatment early

In the

Optochin Base

treatment of pneumonia every hour lost in beginning treatment is to the disadvantage of the patient. Valuable time may often be saved if the physician will carry a small vial of **Optochin Base** (powder or tablets) in his bag and thus be prepared to begin treatment immediately upon diagnosis.

MEDICAL PRACTICE ACT OF PENNSYLVANIA

Pennsylvania Statutes, 1920; Supplement 1924;
As Amended Laws 1925, No. 86

Section 16779. PRACTICE OF MEDICINE AND SURGERY: On and after Jan. 1, 1912, it shall not be lawful for any person in the state of Pennsylvania to engage in the practice of medicine and surgery, or to hold himself or herself forth as a practitioner in medicine and surgery, or to assume the title of doctor of medicine and surgery, or doctor of any specific disease, or to diagnose diseases, or to treat diseases by the use of medicines and surgery, or to sign any death certificate, or to hold himself or herself forth as able to do so, excepting those hereinafter exempted, unless he or she has first fulfilled the requirements of this Act and has received a certificate of licensure from the State Board of Medical Education and Licensure created by this Act, which license shall be properly recorded in the office of the superintendent of public instruction at Harrisburg.

On first offense, any person wilfully violating the provisions of this section of this Act, shall, upon conviction, be deemed guilty of a misdemeanor, and shall be subject to a fine of not more than five hundred dollars ($500), or imprisonment for not more than six months in the county prison, or both or either, at the discretion of the court; on second offense, shall be subject to a fine of not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000), and imprisonment for not less than six (6) months nor more than one year, at the discretion of the court; provided, that this section shall not apply to those persons who, under the laws of the commonwealth, at the date of the passage of this Act, have been accorded the right by a licensing certificate to diagnose and treat disease, medically and surgically, and to sign the form of death certificate required by laws of this commonwealth, or who are exempt therefrom by further provisions of this Act.

Sec. 16780. STATE BOARD OF MEDICAL EDUCATION AND LICENSURE: For the purpose of carrying out and enforcing the provisions of this Act, there shall be established in this commonwealth a State Board of Medical Education and Licensure, to be attached to the department of public instruction. The said board shall consist of seven members, two of whom—the superintendent of public instruction and the commissioner of health—shall be ex officio members thereof; the five remaining members shall be appointed by the governor of the commonwealth, who shall appoint the same on or before Sept. 1, 1911. The said five members, so appointed, shall be selected from the at present legally incorporated state medical societies of the state of Pennsylvania; namely, one from the Medical Society of the State of Pennsylvania, one from the Homeopathic Medical Society of the State of Pennsylvania, and one from the Eclectic Medical Society of the State of Pennsylvania; and who, at the time of their appointment are licensed and qualified under the existing laws of this commonwealth to practice medicine and surgery, and who will have practiced the same in this commonwealth for a period of not less than ten years prior to their respective appointments; and provided, that the two remaining members shall not be of the same school or system of practice. Two members of the board first appointed under this Act shall serve for one year, two for two years, and one for three years, after which the successor of each member shall be appointed for the term of three years; but no member of said board shall be a member of the faculty of any undergraduate school, college or university teaching medicine and surgery. The governor shall furnish each person appointed with a certificate of appointment, under the seal of this commonwealth. He shall fill all vacancies caused by death, resignation or otherwise, and shall have the power to remove any appointed member of the said board for continued neglect of the duties which he may be required to perform as a member of the board, or for any unprofessional or dishonorable conduct upon receiving proper proof of the same. Appointments to fill vacancies occurring through death, resignation or otherwise, shall be for the unexpired term of the deceased or retiring member.

Sec. 16781. TITLE OF THE BOARD: Said board shall be known by the name and title of "The State Board of Medical Education and Licensure of the Department of Public Instruction" of the commonwealth of Pennsylvania, and shall effect its organization immediately after the appointment of its members by the governor.

The board in lieu of action from any other source is authorized to enforce all the provisions of this Act.

Sec. 16782. ORGANIZATION OF BOARD; RULES AND REGULATIONS; QUORUM: At the first meeting held for the purpose of organization it shall elect from its membership a president and a secretary, who shall also be treasurer; and it shall have authority to make rules and regulations for the transaction of its business, and for registration of all physicians of this commonwealth, and for conducting examinations of applicants; said rules to be printed and published in pamphlet form for public distribution.

Five members shall constitute a quorum; except for the determination of the fitness of any Pennsylvania Medical college to render eligible its graduates for licensure, when the unanimous consent of all seven members shall be necessary.

Sec. 16783. REPORT ON MEDICAL EDUCATIONAL INSTITUTIONS: It shall be the duty of the board in its discretion periodically, to ascertain the character of the instruction and the facilities possessed by each of the various medical educational institutions and hospitals desiring interns either chartered under the laws of this commonwealth, or operating therein for the teaching of the various departments of medicine in accordance with the requirements of this Act.

It shall further be the duty of the board by inspection and otherwise to ascertain the facilities and qualifications of medical institutions, colleges or hospitals outside this commonwealth whose graduates or interns desire to obtain medical licensure in this commonwealth.

Sec. 16784. MINIMUM STANDARD OF EDUCATION: Any medical institution chartered by this commonwealth and empowered to confer the degree in medicine, that shall be unanimously adjudged by the board as failing to provide the proper facilities, as maintaining a lower minimum standard than that required under the provisions of this Act, said minimum standard being in addition to a general preliminary education of not less than a standard four years' high school course, or its equivalent, not less than one year of college credits in chemistry, biology and physics, all of which shall have been acquired prior to entering a medical school, and a graded medical and surgical course of four years, each of which shall be of not less than thirty-two weeks, or not less than thirty-five hours each week, of actual work in didactic, laboratory and clinical study in different calendar years—shall be duly notified of the same in writing, signed by the secretary of the board.

Sec. 16785. EFFECT OF FAILURE TO CONFORM TO STANDARD: Failure to conform to the authorized standard, after such notification shall render graduates of said institutions ineligible for licensure until such time as the instruction and course are made to conform to the standard adopted as herein provided.

Sec. 16786. QUALIFICATIONS OF APPLICANTS: Applicants for licensure under the provisions of this Act shall furnish prior to any examination by the said board satisfactory proof that he or she is 21 years of age, is of good moral character, is not addicted to the intemperate use of alcohol or narcotic drugs, and has had a general education of not less than a standard four years' high school course or its equivalent and not less than one year of college credits in chemistry, biology and physics, all of which have been received before admission to medical study, and have attended four graded courses of not less than thirty-two weeks of not less than thirty-five hours each of actual work in didactic, laboratory and clinical study in different calendar years in some reputable and legally incorporated medical school or college or colleges recognized as such by the State Board of Medical Education and Licensure of the state of Pennsylvania, the dean or proper officer of which college having certified that the applicant has satisfactorily passed each of said respective courses and shall have completed not less than one year as intern in an approved hospital which shall have at least twenty-five beds to each intern devoted to the treatment of medical, surgical, gynecological and special diseases; shall maintain or establish cooperation with a maternity department or hospital in which each intern shall have not less than six weeks' service or the equivalent thereof, during which time he shall have attended or participated in the attendance upon not less than six confinements; shall maintain a thoroughly equipped modern pathological and clinical laboratory proportionate to the necessities of the hospital, and the records on file of the cases treated in said hospitals shall give evidence of the laboratory work so done by the intern; shall maintain a department of anesthesia consisting of one or more anesthetists who shall have supervision over all of the anesthesia given in the institution and whose duty it will be to instruct all interns in the administration of anesthesia; and, in the case of applicants of acceptable age and otherwise acceptable to the federal government shall have received an approved three months' field course and service in military medicine. Provided that in the case of those having completed their preliminary education prior to the first day of January one thousand nine hundred and twenty which applicant may not technically or fully fulfill the above preliminary requirements the State Board of Medical Education and Licensure in its discretion may accept satisfactory equivalent by a unanimous vote of all members present.

FROM FOREIGN COUNTRIES: Applicants from countries foreign to the territory of the United States, who desire to be licensed by said board, shall, before examination, furnish similar proof as to age, moral character, use of alcohol and narcotics; and shall present a certificate or diploma indicating the completion of a preliminary and medical and surgical education equivalent to the above. Each application to the said board, for examination or licensure, shall have attached thereto the affidavit or affirmation of the applicant as to its verity. Any applicant stating any fact in his application which shall thereafter be proven to be false shall be deemed guilty of perjury, and on conviction shall be subject to its penalties.

Sec. 16787. STATED MEETINGS; EXAMINATIONS; ELIGIBILITY: The State Board of Medical Education and Licensure shall hold two stated meetings each year at Harrisburg for the transaction of its business, shall hold at least two examinations each year and shall hold a special meeting at its discretion upon giving due notice thereof. The examinations conducted by the said board shall be written in the English language, but may in its discretion be by oral or practical laboratory or bedside examinations, or both. For the purpose of conducting such examinations, the board shall have the privilege of calling to its aid medical assistants. The examinations shall be held at such times and places as shall be designated by the State Board of Medical Education and Licensure in their discretion. Such examinations shall include anatomy, physiology, chemistry as applied to medicine, bacteriology, symptomatology, diagnosis, surgery, gynecology and obstetrics, medical jurisprudence and toxicology, practice, and materia medica and therapeutics, the examinations in practice and materia medica and therapeutics to be conducted by the members of the board of the same school of medicine as the respective applicant.

Any applicant who presents satisfactory evidence as to age, preliminary education and good moral character, and proper credentials signed by the dean of and with the seal of a reputable and legally incorporated school or college of medicine, recognized as such by the State Board of Medical Education and Licensure of the state of Pennsylvania, that he or she has completed at least two of the required four graded courses of training in said school of not less than thirty-two weeks of not less than thirty-five hours each week of actual work in didactic, laboratory and clinical study, and in two different calendar years, may be examined forthwith by the board at its discretion upon the subjects of descriptive anatomy, physiology and chemistry, and if such applicants are respectively shown to be proficient in such subjects, they may be exempted from further examination in said subjects at the final examination. In case of failure at any partial examinations thus given at the end of the second course in a medical school or college, the candidate shall not then be examined in the subjects of descriptive anatomy, physiology and chemistry or in any one or more of the subjects in which he may have failed until the completion of the required course of study; but such candidate shall be admitted to the final examination given in this state, provided, he or she produces sufficient evidence of continuing good moral character.

In case of failure at any examination, the applicant shall have, after the expiration of six months and within two years, the privilege of a second examination by the board without the payment of an additional fee excepting in the case of a bed-side, oral, or laboratory examination when the examination shall be confined to one trial only. In case of failure in a second examination, the applicant must enter de novo, and only after a year of postgraduate study approved by the board, and qualify under the conditions obtaining at the time of this application. Applicants for a licensing certificate, who have been successfully examined by any medical board considered competent by the State Board of Medical Education and Licensure and who can in addition present to the board satisfactory certificates of having in every way fulfilled all the scholastic and other requirements of this Act may without further examination receive from the board in its discretion a certificate conferring all the rights accorded by this Act provided the applicant has paid a fee of fifty dollars and further provided that such applicant has not previously failed at an examination of this commonwealth.

And further, it shall be the duty of said State Board of Medical Education and Licensure at its discretion to examine any person pretending to a knowledge of any branch or branches of medicine or surgery for the purpose of establishing regulation and state licensure. For this purpose it shall be the duty of said board to establish such oversight of the instruction and teaching of the schools or colleges, or individuals so pretending if any such obtained as is provided for in this Act in the case of medical schools and colleges, and further, they shall conduct such limited examinations as are in their judgment necessary for the purpose of determining whether or not the applicant has a proper degree and knowledge of his or her subject, and of determining whether in other respects as provided for in this Act they are worthy of registration and state licensure. For the purpose of conducting such examinations, the board shall have the privilege of calling to its aid men or women of established reputation and known ability in the particular pursuit under consideration, and who shall be compensated for their services at the rate of not more than ten dollars ($10) per day, in addition to all incurred expenses. Reciprocity and other provisions as provided for in this Act in the case of doctors of medicine and surgery may be established at the discretion of the board for these limited practitioners.

Upon the requisite degree of knowledge and the moral character of the applicant being established, as above provided for, and on payment of a fee of twenty-five dollars ($25) the State Board of Medical Education and Licensure of the Department of Public Instruction shall forthwith issue a state certificate to the applicant limited to the practice of his or her pursuit in this state, this fact being plainly stated across the face of the certificate. Such a system of special licensure being once established it shall thereafter be unlawful for any person or persons to practice said system in this state without the said state certificate, which certificate shall be revocable by the Board of Medical Education and Licensure on proof of violation of the rules and regulations of said board, and on proof of violation of this provision of this act, the holders of said certificates shall be liable to all the penalties provided for in Section 1 of this Act in case of doctors of medicine and surgery. A record of all persons so licensed shall be kept in the archives of the department of public instruction and shall have the standing before the law of any other license issued by the State Board of Medical Education and Licensure. For the purpose of determining the verity of credentials and applications, conducting examinations or discovering fraud or dishonesty, the secretary of the board, or, in his absence, any member thereof, shall have the right to administer oaths or any form of obligation required by law.

Sec. 16788. LICENSURE; REGISTRATION; EXEMPTIONS: All persons who have complied with the requirements of the rules and regulations of the board, and who shall have passed a final examination, and who have otherwise complied with the provisions of this Act, shall receive from the Department of Public Instruction acting for the said board a licensing certificate entitling them to the right to practice medicine and surgery, or special branches of medicine and surgery, as provided for in Section 6, in this commonwealth; which said license certificate shall be duly registered in the office of the Department of Public Instruction of this commonwealth in a record book to be properly kept for that purpose, and which shall be open to public inspection; and a certified copy of said record shall be received as evidence in all courts in this commonwealth in the trial of any case; provided, that this section, relating to certificates to practice medicine and surgery, shall not apply to officers in the regular medical service of the United States Army and Navy, or the United States Public Health and Marine Hospital Service, while in the discharge of their official duties or to any one who may be a duly registered practitioner of medicine in any other state or commonwealth, who may be called upon by a registered physician of this commonwealth to consult with him in a case under treatment; or any one while actually serving as a member of the resident medical or surgical staff of any legally incorporated or state hospital; and provided further, that any duly registered practitioner of medicine residing in any state near the boundary line between said state and this commonwealth, whose practice extends into this state, shall have the right to practice in this commonwealth, at the discretion of the board; provided, he files with the secretary of the State Board of Medical Education and Licensure of this commonwealth a certified copy of his registration in the state where he resides; and provided that the board of examiners of the adjoining state reciprocate by extending the same privilege to practitioners of medicine and surgery in this commonwealth; in which case he shall receive from the secretary of the board created by this Act a licensing certificate, issued by the said board, but which shall be automatically revoked if he changes his said residence or office of practice.

A record of all persons so licensed shall be kept in the archives of the Department of Public Instruction at Harrisburg, and shall have the standing before the law of any other license issued by the said Department for the Board of Medical Education and Licensure. In these records shall be registered the names and addresses of each person duly qualified to conduct the practice of medicine or any of the allied branches of the healing art, as provided for in this Act, in Pennsylvania.

And it shall be the duty of all persons now qualified and engaged in the practice of medicine or any of the allied branches of the healing art, or who shall hereafter be licensed by the Department of Public Instruction for the Board of Medical Education and Licensure to engage in such practice in the Commonwealth of Pennsylvania, to be registered with the said Board of Medical Education and Licensure in the Department of Public Instruction, as practitioners, on or before the first day of January, one thousand nine hundred and twenty-six and thereafter to register in like manner annually on or before the first day of January of each succeeding year. The form and method of such registration shall be provided for by the said Board of Medical Education and Licensure in such manner as will enable the Board of Medical Education and Licensure to carry into effect the purposes of this Act.

Each person so registering with the Board of Medical Education and Licensure, shall pay, for each annual registration and for the certificate hereinafter provided for, a fee of one dollar or such other sum as may be fixed by the Department of Public Instruction under authority of law, which fee shall accompany the application for such registration. The money thus received shall be available for the use of the said Board of Medical Education and Licensure for the purpose of enforcing the provisions of this Act against unlicensed, illegal, and unregistered practitioners.

Upon receiving a proper application for such registration, accompanied by the fee above provided for, the Department of Public Instruction acting for said Board of Medical Education and Licensure shall issue its certificate of registration to the applicant. Said certificate together with its renewals shall be good and sufficient evidence of registration under the provisions of this Act.

Any person who shall practice medicine or any of the allied branches of the healing art which come under the provisions of this Act, without having been registered in accordance with the provisions of this Act, shall, on conviction thereof, before any magistrate, alderman, or justice of the peace in the county where the offense shall have been committed, be subject to a fine of not less than ten dollars ($10) and not more than one hundred dollars ($100), to be collected by the summary conviction, as like fines are now collected by law; or in case of non-payment of the fine, to undergo an imprisonment in the county jail for a period not exceeding ten days; provided, that any person so convicted shall have the right of appeal as in any other case of summary conviction.

Sec. 16789. FEES: Said State Board of Medical Education and Licensure shall have the power to charge a fee for all examinations that may be made by them and which shall not exceed the sum of twenty-five dollars ($25) for the collective or total examination of any applicant, except as provided for in Section 6 [16790]. They shall adopt a seal; and shall have an office at Harrisburg, for the purpose of holding examinations, and where all their permanent records shall be kept, open to public inspection. For that purpose they shall have the power to make requisition upon the proper state officials for office rooms and supplies, including stationery and furniture. All the printing and binding necessary for the work of the said board shall be done by the state printer, upon an order issued by the said board to the superintendent of public printing and binding, certified to by the secretary of said board.

Sec. 16790. DISPOSITION OF FEES: All fees that may be received by said board from examination or any other source, shall be paid over to the treasurer of this commonwealth or the treasurer of the State Board of Medical Education and Licensure, at least once in each six months, on a proper audit being made thereof by the auditor general of this commonwealth, excepting such as are derived from practitioners of a branch of medicine and surgery, as provided for in Section 6 [16790]; in which case the fees are to be utilized in conducting the regulations of the particular branch paying the fee, and the surplus is to be turned over to the state treasurer as provided above.

Sec. 16791. BOND OF TREASURER: The treasurer of said board shall give a bond to the commonwealth of Pennsylvania, in the sum of five thousand dollars ($5,000), for the faithful performance of his duties; said bond to be approved by the State Board of Medical Education and Licensure and the attorney general of this commonwealth, who shall be custodian of the same.

Sec. 16792. SALARIES; EXPENSES: Each appointed member of the said board shall receive an annual salary of one thousand five hundred dollars ($1,500), and the superintendent of public instruction and the commissioner of health five hundred dollars ($500) each, and the secretary and treasurer an additional five hundred dollars ($500), in addition to the necessary traveling expenses properly incurred and certified to by the secretary of the said board.

Sec. 16793. AUDITS OF ACCOUNTS: All accounts of said board shall be audited by the auditor general of this commonwealth; and, when proper warrants for the payment of the same shall be issued, draw on the state treasurer.

Sec. 16794. REFUSAL AND REVOKING OF LICENSE: The State Board of Medical Education and Licensure shall refuse to grant a license to practice medicine and surgery to an applicant upon the presentation to said Board of Medical Education and Licensure of a court record showing the conviction, in due course of law, of said person for producing, or aiding or abetting in producing, a criminal abortion or miscarriage by any means whatsoever; and further, the State Board of Medical Education and Licensure, upon such evidence and proof shall cause the name of any physician licensed to practice medicine and surgery in the commonwealth of Pennsylvania to be removed from the record in the office of the superintendent of public instruction.

The State Board of Medical Education and Licensure may for a definite or indefinite time refuse, revoke, or suspend the right to practice medicine and surgery in this state for any or all of the following reasons, to wit: The conviction of a crime involving moral turpitude, habitual intemperance in the use of ardent spirits or stimulants, narcotics, or any other substance of any condition which impairs intellect and judgment to such an extent as to incapacitate for the performance of professional duties.

Any person who is licensed to practice medicine and surgery, or any of its branches, in the commonwealth of Pennsylvania, or who is an applicant for examination for licensure to practice medicine and surgery in this state, against whom are preferred any of the foregoing charges of causing the revocation or suspension of license, or for causing refusal of the right to be examined for licensure, shall be furnished by the State Board of Medical Education and Licensure with a copy of the complaint; and shall have a hearing, before the bureau, or by attorney, and witnesses may be examined by said board respecting the guilt or innocence of said accused.

The revocation or suspension of license of any person licensed to practice medicine and surgery shall be removed when said narcotic or vicious habit, hereinbefore specified, shall have been adjudged by the said board to be cured or overcome, and said suspended licentiate deemed capable of practicing his or her profession. The revocation or suspension, for any other cause, of the license of any person licensed to practice medicine and surgery may be removed at such time as it shall appear to the board to be just and proper to do so: Provided, however, that any action taken in regard to suspension or revocation of license or removing of any suspension or revocation and the reinstatement of any licentiate must be by a unanimous vote of the members of the board.

Sec. 16795. EXEMPTIONS: The provisions of this Act shall not apply either directly or indirectly, by intent or purpose, to affect the practice of pharmacy as authorized by the act approved May twenty-fourth, one thousand eight hundred and eighty-seven, entitled "An Act to regulate the practice of pharmacy and sale of poisons, and prevent adulterations in drugs and medicinal preparations in the state of Pennsylvania," or the several amendments thereto; nor to affect the practice of dentistry as authorized by the act approved July ninth, one thousand eight hundred and ninety-seven, entitled "An Act to establish a Dental Council and a State Board of Dental Examiners; to define the powers and duties of said Dental Council and said State Board of Dental Examiners; to provide for the examination and licensing of practitioners of dentistry, and to further regulate the practice of dentistry," or the several amendments thereto; nor to affect the practice of osteopathy as authorized by the act approved March nineteenth, one thousand nine hundred and nine, entitled "An Act to regulate the practice of osteopathy in the state of Pennsylvania; to provide for the establishment of a State Board of Osteopathic Examiners; to define the powers and duties of said Board of Osteopathic Examiners; to provide for the examining and licensing of osteopaths in this state, and to provide penalties for the violation of this Act," nor shall this Act be so construed as to give to the State Board of Medical Education and Licensure any jurisdiction over any of the schools or colleges of the methods herein exempted.

Sec. 16796. INTENT OF ACT: All other acts or parts of acts, general, special, or local, pertaining to the subject matter covered by this Act and inconsistent herewith, be and the same are hereby repealed; it being intended that this Act shall furnish a complete and exclusive system in itself so far as relates to the right to practice medicine and surgery in the commonwealth of Pennsylvania.

Sec. 16797. LICENSE WITHOUT EXAMINATION TO PERSONS SERVING IN ARMY OR NAVY: The State Board of Medical Education and Licensure of the commonwealth of Pennsylvania may, at its discretion, without requiring the passing of an examination as now provided for by the law, grant a certificate of licensure to practice medicine and surgery to any person, resident of this commonwealth at the time of enlistment, who served in the Army or Navy of the United States, or any branch or unit thereof, during the war with Germany and Austria, and who is a graduate of a medical school or college recognized by the State Board of Medical Education and Licensure, and who has served as an intern in a hospital for the time now required by law, but who was prevented from taking the examination conducted by the State Board of Medical Education and Licensure by reason of his induction into the military or naval service of the United States.

Sec. 16798. CONDITIONS OF LICENSURE: Such certificate of licensure shall be granted upon the furnishing of satisfactory proof to the State Board of Medical Education and Licensure by the applicant that he possesses the qualifications required by section one [16779] of this act, and that he has in all other respects qualified, under the Medical Act of one thousand nine hundred and eleven, and its subsequent amendments.
